FIND YOUR PARK

The National Park Service and the National Park Foundation are inviting people everywhere to discover their own personal connections to parks. So much more than vast landscapes, there are urban parks, cultural treasures, and historical places—all within the National Park System. A park can even be a feeling or a state of mind. You may also find that a National Park Service program helped preserve a special place in your community. With more than 400 national parks and thousands of historic and recreational lands across the country, there are endless ways for you to find your unique connection.

If you found your park today, please share your story now using **#findyourpark** or by going to **findyourpark.com**. Enter your story for a chance to win some amazing prizes.

If you haven't found YOUR park yet, visit **findyourpark.com** for inspiration and ideas on where to go and what to try.
