

Follow the rules and help keep wildlife wild!

Every park is unique and has specific guidelines. Before you head out on the trail, take a few minutes to review the park's rules.

Do not feed, touch, tease, frighten, or intentionally disturb wildlife.

Stay at least 100 yards away from bears and wolves, and at least 25 yards away from other animals, including bison and elk.

Don't make this awkward. You 'bearly' know each other.

Although they may appear harmless, wildlife injure visitors every year.

Sometimes the **BEST** Relationship is a **LONG-DISTANCE** Relationship

I get it. You need space!
