

A stylized illustration of a prehistoric landscape. In the foreground, a large, bipedal dinosaur with a long tail and a crest on its head walks across a rocky terrain. In the background, a cave entrance is visible, with a bat hanging from the ceiling. The scene is framed by a dark brown border with four diamond-shaped icons: a beetle in the top-left, a fern in the top-right, a footprint in the bottom-left, and a leaf in the bottom-right.
