

A vibrant autumn-themed illustration for National Fossil Day. The scene features a landscape with rolling green hills, a blue river, and trees with yellow and orange foliage. In the foreground, a black and white spotted leopard is perched on a log, surrounded by yellow leaves and green apples. In the background, two brown mammoths are near the river. The sky is a mix of blue and orange. The entire scene is framed by a brown border with four diamond-shaped icons: a fossil, a corn cob, a fossil, and a leaf.
