**Welcome to Carolina Sandhills National Wildlife Refuge**  
Carolina Sandhills National Wildlife Refuge is one of over 500 national wildlife refuges in the country. The U.S. Fish & Wildlife Service administers the refuge and is responsible for conserving, protecting, and enhancing the nation’s fish and wildlife populations and their habitats for the continuing benefit of the public.

The provisions listed below supplement the general regulations that govern public use on national wildlife refuge areas as set forth in Title 50, Code of Federal Regulations. When permitted, hunting, fishing and other public uses will be in accordance with applicable state laws unless otherwise listed. Only the hunting seasons designated in this brochure are allowed on Carolina Sandhills National Wildlife Refuge.

#### **General Provisions and Access**

By law, national wildlife refuges are closed to all public use activities unless permitted. Hunting, fishing and other public use activities are permitted on most areas of the refuge. Contact the Refuge Manager for current regulations and authorized activities when visiting the refuge.

#### ***Pets***

Pets must be under the control of the owner at all times.

#### ***Camping and Fires***

Camping and fires are prohibited.

#### ***Alcoholic Beverages***

The use or possession of alcoholic **beverages** is prohibited.

#### ***Vehicles***

Only legally licensed vehicles are allowed on the refuge.

ATV’s are prohibited except for use by disabled persons possessing a refuge special use permit for their use in the designated mobility impaired hunt area.

#### ***Roads***

Vehicles must remain on established roads unless the road is posted as being closed.

Vehicles may be parked alongside roads in a manner that will not block gates or fire lanes or interfere with the normal flow of traffic.

The speed limit on all refuge roads is 15 MPH, unless posted otherwise.

#### ***Disabled Access***

People with disabilities that have special access needs should contact the Refuge Manager to request special use access.

Hunters wishing to use an ATV to hunt big game (deer and turkey) must provide a copy of their state disabled hunting license.

Hunters that receive a permit to use an ATV may only use the ATV in the designated mobility impaired hunt area (see map on reverse side of this brochure).

All rules and regulations pertaining to the use of standard vehicles will be in effect for the use of ATV’s.

#### ***Weapons***

**Firearms must be unloaded and encased or dismantled when transported in vehicles.**

Carrying, possessing, or discharging firearms, air guns, bows and arrows, cross bows, fireworks or explosives is prohibited unless authorized.

Discharging a firearm for a purpose other than to take legal game animals during established hunting seasons is prohibited.

A loaded firearm is defined as ammunition in the chamber or magazine, or percussion caps on muzzleloaders.

Loaded firearms are prohibited within 100 feet of maintained roads or within 500 feet of the paved roads within the refuge.

Discharging a firearm from, on or across any refuge road is prohibited.

#### ***Closed Areas and Times***

Except during certain hunts, the refuge is closed everyday from one hour after sunset until one hour before sunrise.

Designated areas will be closed seasonally to hunting, fishing and all other public access.

Other areas may be closed for special management and safety reasons.

#### ***No hunting Zone***

Entering or crossing a “No Hunting Zone” or “Closed Area” to access areas open to hunting is prohibited.

Discharging a firearm within, into or across a “No Hunting Zone” or “Closed Area” is prohibited.

#### ***Refuge/Cultural Resources***

The removal of any natural, historic or archaeological feature is prohibited.

#### **Special Hunting Regulations**

##### ***Permits***

Hunters must possess a valid refuge General Hunting Permit for all hunts.

A drawn hunting permit is required for the general turkey hunts.

Permits are non-transferable.

Hunters must possess a valid government issued picture ID.

Hunters must possess all applicable licenses, permits and government issued picture ID while in the field.

##### ***Check Stations/Check Sheets***

All deer and hogs killed on the refuge during modern gun hunts and the youth hunt must be checked at check station #1 on the date of the kill prior to removing the animal from the refuge.

Antlered deer and hogs killed during the archery and primitive weapons seasons must be self-checked at check station #1.

***All antlerless deer (deer with no visible antlers or less than two inches of antler visible above the hairline) must be tagged before being removed from the refuge. If check station #1 is not open, antlerless deer will be tagged at the refuge headquarters.***

All turkeys killed on the refuge must be tagged and checked in at the refuge headquarters on the date of kill prior to removing the animal from the refuge.

**All small game hunters must complete the attached check sheet and turn it in at the conclusion of each hunt at one of the check stations indicated on the map on the reverse side of this brochure.**

##### ***Baiting***

Baiting and/or hunting in the vicinity of bait is prohibited.

Baiting means the placing, depositing, exposing, distributing, or scattering of shelled, shucked, or

unshucked corn, wheat, or other grain, or other food stuffs, including salt and mineral blocks, to constitute an attraction, lure, or enticement to, on, or over any area.

##### ***Hunter Orange***

***All persons participating in refuge firearms hunts are required to wear an outer garment above the waist which contains a minimum of 500 square inches of unbroken fluorescent orange material that is visible from all sides while hunting and while enroute to and from hunting areas. This does not apply to dove, turkey and raccoon hunters.***

##### ***Hunter Educations***

All refuge hunters under the age of 16 must show proof of successfully completing a hunter education/safety course.

Hunters under the age of 16 must be directly supervised (within sight and normal voice contact) by a properly licensed adult at least 21 years of age.

##### ***Youth Hunts***

A youth hunter is defined as a hunter under the age of 16.

All youth hunters must be at least 10 years old to hunt on the refuge.

During youth deer and turkey hunts, an adult may supervise only one youth.

During small game hunts, an adult may supervise a maximum of two youths.

##### ***Tree Stands***

Only portable stands are permitted.

**All stands must be removed by the last day of each hunt.**

Inserting or driving a nail, screw, spike or other metal object into a tree or to hunt from a tree into which a metal object has been inserted or driven is prohibited.

##### ***Hunting Dogs***

Deer hunting with dogs is prohibited.

Dogs are required for the raccoon/opossum hunts.

Dogs are permitted for small game and dove hunting.

All dogs are required to wear a collar displaying the owner’s name, address and phone number.

##### ***Man-Driving***

Deer hunting by man-driving is prohibited.

A man-drive is defined as an organized hunting technique including two or more hunters where an attempt is made to drive game animals from cover to shoot, kill, or move animals towards other hunters.

##### ***Tree Marking***

Marking any tree or other refuge feature with plastic flagging or paint is prohibited.

Painted clothespins or clothespins with reflective tacks attached may be used to mark trails but must be removed at the end of each hunt.

##### ***Deer and Turkey Hunt Hours of Access***

Deer and turkey hunters are prohibited from entering the refuge prior to 4:00 am on scheduled hunt days.

Deer hunters must leave the refuge no later than two hours after legal sunset.

Turkey hunters must end their hunts no later than 1:00 pm

##### ***Prehunt Scouting***

The refuge is open (except designated closed areas) for prehunt scouting from one hour before sunrise until one hour after sunset.

Weapons are prohibited while scouting.

##### **Hunting Seasons**

Refuge areas open to hunting are designated on the map of this leaflet.

The following list includes the specific hunts allowed on the refuge.

##### ***Mourning Dove and Woodcock***

Dove hunts will be conducted at designated fields on Thursdays in September. Contact the refuge office in August for details.

**During the September dove hunts, the possession or use of more than 50 shotgun shells is prohibited.**

Mourning doves and woodcock may be taken when the state season for these species coincides with the refuge quail season.
