

**General Hunt Regulations**

All State laws, regulations and harvest limits apply to all persons on the refuge for any reason.

Each hunter must obtain from the Hunter Information Station and fill out a pink user information card before hunting and display it on the vehicle dash so the name and address are visible from the outside. Prior to leaving the refuge the reverse side of the card must be completed and deposited at one of the Hunter Information Stations. Include all game harvested. If no game is harvested report "0".

Entering or remaining on the refuge after daylight hours is prohibited except during the raccoon hunt.

All plants and animals on the refuge are protected by federal law. Animals may not be killed, injured, captured, or harassed except for the legal take of game animals and feral hogs in accordance with the seasons and provisions listed in this permit.

Certain areas of the refuge may be closed for sanctuary or administrative purposes. Hunting areas are shown on the maps in this brochure.

Except during authorized refuge hunts, possession of any weapon is prohibited on the refuge.

Firearms may be possessed only when authorized for a particular hunt. All handguns are specifically prohibited and may not be possessed at any time on the refuge.

All firearms transported in or on any vehicle including boats on the refuge must be **unloaded** and either **dismantled** or **cased**. Loaded is defined as shells in the gun or within reach, percussion cap on the nipple, or powder in the flashpan of a flintlock.

Use or possession of any drug or device for employing such drug for hunting is prohibited.

Motor vehicle use is restricted to roads designated as vehicle access roads on the refuge map. Blocking access to any road or trail entering the refuge is prohibited.

ATV's are not permitted and may not be used on any area of the refuge.

All hunters or persons on the refuge for any reason during any open refuge hunting season, must wear a minimum of 500 square inches of visible, unbroken, fluorescent orange-colored material above the waist line. Waterfowl hunters must comply while walking/boating to and from actual hunting area. Not required for turkey season, or for waterfowl hunters while actually hunting.

Dogs are permitted on the refuge only when specifically authorized for squirrel, rabbit, waterfowl, or raccoon hunting. The use of dogs is encouraged to retrieve dead or wounded waterfowl. Dogs must remain in the control of their handlers at all times. All other domestic animals are prohibited.

Man-drives for deer are prohibited.

Hunting or shooting across any open, fallow or planted field from ground level is prohibited during all General Gun and Primitive Weapon hunts.

Portable deer stands may be erected two weeks prior to the opening of archery season on the refuge and must be removed by January 31, 2003.

Deer stands can **not** be nailed to trees nor can any blind or stand be attached to a tree by any metal object driven, screwed, or
