

A convenient America the Beautiful—

the National Parks and Federal Recreational Lands Pass is your ticket to more than 2,000 sites of incomparable wonder, from Mt. St. Helens and the Grand Canyon to Okefenokee National Wildlife Refuge and Red Rocks National Conservation Area. It covers entrance fees at National Parks and National Wildlife Refuges, as well as standard amenity fees (day use) at lands managed by the US Forest Service, Bureau of Land Management, Bureau of Reclamation and the Army Corps of Engineers.

If you're visiting several areas, the Pass can also save you money. There's no limit on the number of sites you can see, and each Pass covers entrance or standard amenity fees for a driver and all passengers in a personal vehicle at per-vehicle fee areas (or up to four adults at sites that charge per person).

There are a variety of pass options including: annual passes available to everyone and discounted passes for U.S. Military Members, veterans and Gold Star families, U.S. 4th grade students, seniors, those with permanent disabilities, and volunteers. See the Interagency Pass Program chart for more information.

FAQ's

Q. Where can I purchase a Pass?

A. Most Federal sites where Passes are accepted sell the Pass. Annual Passes may also be purchased by phone (1-888-275-8747, ext. 1) or online. Senior and Access Passes are available online or by mail. Visit <http://store.usgs.gov/pass> for more information.

Q. Does a Pass cover all fees?

A. A Pass is only valid for entrance and standard amenity fees (day use). Camping, tour, and fees for other services are not covered; however Senior and Access Pass holders may receive a discount. Please check directly with the location you are visiting if you have questions about their fees and pass acceptance.

Q. Is a Pass accepted at all Federal recreation sites?

A. The Pass is accepted at lands managed by the six Federal agencies listed in this brochure.

Q. Is there a pass for members of the military?

A. Yes, current U.S. military members and their dependents qualify for a FREE Annual Pass. To learn more go to: <https://store.usgs.gov/pass>. In addition, U.S. Military Veterans and Gold Star families may also qualify for a free Military pass.

Q. I have more than four people in my car. How many Passes do I need?

A. One Pass covers the vehicle at sites that charge "per vehicle."

Q. We are a family traveling in two vehicles. Does one Pass cover two vehicles?

A. No. One Pass covers one vehicle; two vehicles require two Passes.

Q. What about motorcycle drivers who purchase a Pass?

A. Senior, Access and Volunteer Passes allow one motorcycle. An Annual Pass allows two motorcycles IF the two people who sign the Pass arrive at the same time on two motorcycles, regardless of the number of people on each motorcycle.

Q. How do I display my Pass at unstaffed Federal recreation sites?

A. A Pass can either be displayed on your rearview mirror using a free hangtag or on your dashboard with the signature side showing. A hangtag is only a way to display your Pass and is not valid unless it holds a Pass.

For open-topped vehicles (jeep, motorcycle, etc.) you may obtain a decal for your vehicle that serves as proof of pass ownership.

Q. Can lost or stolen Passes be replaced?

A. No. Due to privacy and logistical considerations, passes cannot be replaced; a new Pass must be purchased.

Q. If I forget my Pass and have to pay a fee, can I get a refund later?

A. Refunds are not issued. Pass order confirmation letters, credit card receipts, and hangtags without Passes are also not accepted.

Give Back to Your Federal Recreational Lands

Volunteer

Since public lands were first established, dedicated volunteers across the nation have offered their skills and talents to enhance these resources. We need their help—one-third of all the land in the United States (about 650 million acres) is administered by the Federal government, and managing it is a big job. There are many ways you can contribute. Make a difference by working with a group that shares your interests, whether it's history, hiking, or horseback riding. Visit www.volunteer.gov/gov/ to learn how you can lend a hand.

Financial Support

We invite you to support the Congressionally-chartered foundations whose combined mission is to engage Americans in caring for our lands, conserving wildlife, and enhancing visitor education and outreach programs:

- ▶ The National Forest Foundation (www.nationalforests.org)
- ▶ The National Park Foundation (www.nationalparks.org)
- ▶ The National Fish & Wildlife Foundation (www.nfwf.org)
