Find Your Park in the Midwest

The national park sites of the Midwest share fascinating history and spectacular natural beauty. As the National Park Service enters its second century, we invite you to find your park and discover the national parks and programs in your own backyard! Share your experience at FindYourPark.com.

The National Park Service cares for special places saved by the American people so that all may experience our heritage.

The Midwest Region includes over 60 parks in 13 states. From the Dakotas, south to Arkansas and east to the Ohio River, encompassing all the Great Lakes states.
