

Dear L.A.,
Wanted: future biologists.

SANTA MONICA MOUNTAINS

2016
National Park Service
CENTENNIAL

FIND YOUR
PARK

SCIENCE FEST: APRIL 25, 2015

What do you want to be when you grow up? A park ranger, perhaps? We believe that all kids make great rangers and great scientists. Bring the family to our Science Fest, Star Party, or Recreation Fest for free and fun activities that will inspire the junior ranger in everyone.

Learn more at nps.gov/samo and celebrate the National Park Service's Centennial at FindYourPark.com
