EXPERIENCE YOUR AMERICA™

MAKE A DIFFERENCE

WHAT WOULD I DO?

Public Land Corps members help restore, protect, and rehabilitate facilities, structures, and resources that need repair. Members are recruited and selected through non-profit organizations.

You'll construct trails, assist with wildlife research, restore habitats, and repair historic buildings while learning about conservation, preservation, and environmental issues.

WHAT ARE THE BENEFITS?

Not only will you learn new skills, see new places, and make new friends, but you:

- Will receive a living allowance
- May be hired non-competitively for a federal government job
- Gain marketable career experience
- Work in some of the most amazing and unique places in the world

DO I QUALIFY?

To participate in the Public Land Corps, you must be a U.S. citizen or legal resident between 16-25 years old

HOW DO I APPLY?

- Visit nps.gov/youthprograms to find a participating non-profit organization.
- Visit the partner organization's website for information on how to apply.
