
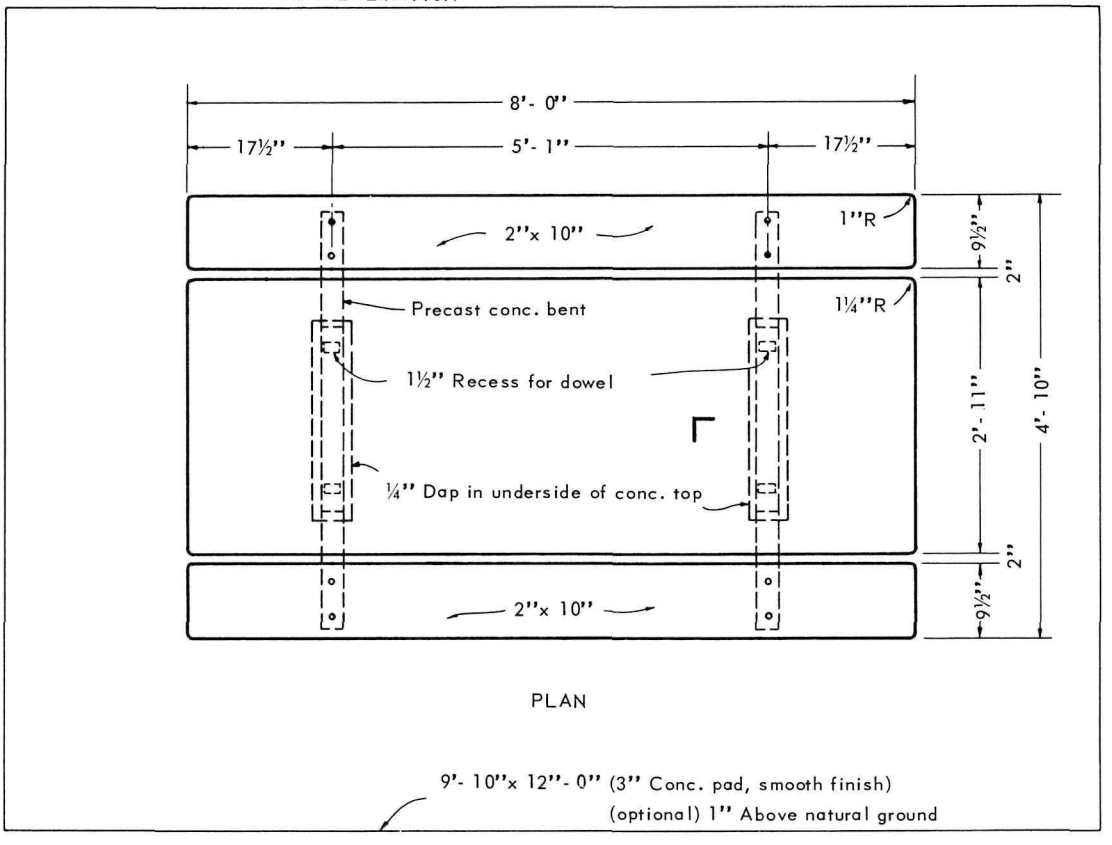
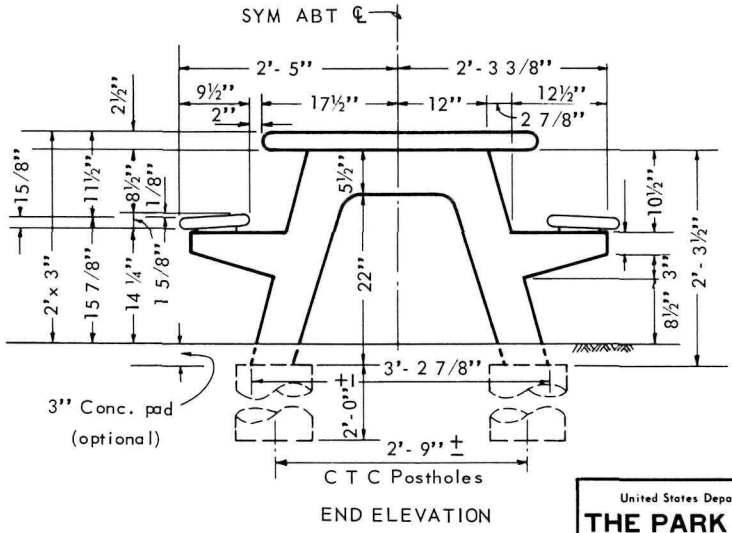
SIDE ELEVATION

For durability, you can't beat reinforced concrete. This is the U.S. Corps of Engineers' standard plan for permanent picnic tables. They're too heavy for souvenir collectors; they resist the initial carvers, and are relatively impervious to the attack of weather.



PLAN

9'- 10"x 12"- 0" (3" Conc. pad, smooth finish)
(optional) 1" Above natural ground



END ELEVATION

United States Department of the Interior, National Park Service

THE PARK PRACTICE PROGRAM

National Conference on State Parks • National Recreation & Parks Association
