Upcoming Training: Mid-America Climate Fundamentals Academy

Workshop #2

ACCO

ASSOCIATION OF CLIMATE CHANGE OFFICERS

A CCO is offering a series of 2-day training academies in Independence, MO to help participants build competencies to effectively integrate climate change into their decision-making and professional activities such as planning and operations.

Workshop #2 will take place in Independence on December 2 & 3. NPS employees are invited to attend Climate Fundamentals Academy Workshops FREE OF CHARGE, through a standing agreement between the NPS Climate Change Response Program and the ACCO.

Full details and registration for [Workshop #2](#) are available now through the Common Learning Portal

Supervisory approval is required, and any associated travel will be paid by the benefiting account. This training opportunity is open to all segments of the NPS workforce. Available seats will be awarded on a first-come, first-serve basis, so early registration is strongly recommended.

For more information, please contact: Larry Perez: larry_perez@nps.gov.

The Climate Change Response Program invites interested NPS employees, contractors, and volunteers to enjoy unlimited access to the Association of Climate Change Officers (ACCO) [library of on-demand and live online training](#) FREE for one full year. This

opportunity affords participants unparalleled flexibility to customize training according to their needs and work around busy schedules.

Availability is limited and will be awarded strictly on a first-come, first serve basis. For instructions on how to register for this opportunity, please contact Larry Perez at larry_perez@nps.gov.
