

Listing of NRSS information sources and systems identified by participants attending the September 2004 PRIDE workshop.

I. WASO – NRSS Systems -- (C) = Critical

Air Atlas GIS System (C)
Alien Plant Control and Management data base (APCAM) (C)
Geo Scientists in the Parks (C)
National Natural Landmark Data System (NNL) (C)
Natural Resource Management Assessment Program (NRMAP) (C)
Public Use Statistics Office Reporting System (C)
Gaseous Pollutant Monitoring Network data base (C)
Integrated Pest Management System (IPM) (C)
Natural Resources data base template (distributed) (C)
NPS Water Rights Docket Files (C)
Natural Resources Bibliography Inventory System (Nature Bib) (C)
Research Permit and Reporting System (RPRS) (C)
Improve Visibility Monitoring Network data base (C)
National Park Threatened and Endangered Species Data (T & E) (C)
Natural Resources Biological Inventory System (NPS species) (C)
Natural Resources - GIS Metadata System (C)
Natural Resources – GIS Data Store (C)
Sabbatical in the Parks Clearinghouse (C)
Air Resource Information System (ARIS) – Park-specific synthesis (C)
STORET Water Quality data base (C)
Water Resources Reference Bibliography (C)
Nature and Science Public Web Site (C)
Sabbatical in the Parks Clearinghouse (C)
Inside NPS – Natural Resources (C)
Planning, Environment and Public Comments System (PEPC) (C)
Acid Deposition data base (NADP) (C)
Air Quality Trends and Relative Rankings (C)
Visitor Services Project (C)
Money Generation Model (v.2) (C)
Air Quality Permit Tracking data base. (C)
Water Resources Designated Use and Impaired Waters Data base (C)
NPS GIS Project Locations (C)

II. Other NPS WASO Systems -- (C) = Critical

Cultural Landscapes Information Management System (Claims) (C)
List of Classified Structures (LCS) (C)
Operations Formulations System (OFS) (C)
Project Management Information System (PMIS) (C)
Facilities Management Software System (FMSS) (C)
Fire Pro/SACS –Shared Application Computer System (C) (Current fire budgeting system for NPS)
Fire Ecology Tool (FEAT) (C)
Administration Finance System 3 (AFS3) (C)
Performance Management Data System (PMDS) (C)
Lands MIS/MDL and BDY GIS Data (C)
Archaeological Sites Management System (ASMIS) (C) – Dalby
Land Acquisition Res System (LARS) (C)
Pacific West Region (PWR) – NR Intranet (C)
Fire Monitoring Handbook (FMH) (C)
Federal Financial System (FFS) (C)
CESU Coordinator Web Sites (C)
VOYAGER (on-line catalog of NPS library holdings)
ParkNet and Natural Resources Profiles
Technical Information Center (TIC)

III. Systems Outside NPS (Non-WASO/Non-NPS)

Census Bureau
Environmental Systems Research Institute (ESRI)
EPA.GOV –
Federal Geographic Data Committee (FGDC)
Federal Payroll System (FPPS) (C)
Fire Planning and Analysis (FPA)
Incident, Monitoring, and Reporting System (IMARS) (C)
Integrated Taxonomy Information System (IT IS)
Interior Department Electronic Acquisition System (IDEAS) (C)
LANDFIRE
National Biological Information Infrastructure (NBII)
National Fire Plan Operations Reporting System (NFPORS)
National Recreation Reservation System (NRRS)
Natural Resources Conservation Service (NRCS) Plants data base
Natural Resources Conservation Service (NRCS) Soils website
Nature Serve - commercial arm of Nature Conservancy-heritage data
