STATEMENT OF SIGNIFICANCE:

Date of Construction: _Unknown_ Date of Alterations: _Unknown_

Architect/Designer: NPS/WPA? Historical Theme(s): Post 1900 Ranching/Outlaws

History of Structure: Structure is located in the Josie Bassett Morris I (VII A4 & Ranch Complex, but its materials and style match 1930s NPS Comfort VI G2) Stations. Location is further from cabin than typical of outhouses. As a result it may have replaced the original, possibly after pit filled up. Used until 1960s when she fell on the ice and died shortly thereafter.

Evaluation of Structure: Historic Theme Contributing _X_ Non-Contributing _X_

National Register Criteria: A_ B_ C_ D_ (Include integrity statement)

Maintains its own integrity, however it does not match style of other bldg. on the ranch. Its presence does contribute to overall setting.

Verbal Boundary Description:

The Josie Bassett Morris Ranch Complex is bounded on the east by a line running due north from a point twenty yards east and 100 yards south of the southeast mouth of Hog Canyon (Point A) to a point 200 yards north of the canyon mouth on its east side (Point B); west from that point for approximately 450 yards to a point 100 yards north and forty yards west of the north end of a row of Lombardy Poplar trees (Point C); thence south to a point 150 yards south of the south end of the Poplar tree line (Point D) and thence east for approximately 450 yards to Point A. These boundaries encompass all pertinent structures and the cultural landscape that surrounds them.
