Welcome to Grand Canyon

Where is it?
Grand Canyon is in the northwest corner of Arizona, close to the borders of Utah and Nevada. The Colorado River, which flows through the canyon, drains water from seven states, but the feature we know as Grand Canyon is entirely in Arizona.

Park Passes
Admission to the park is $25 per private vehicle; $12 per pedestrian or cyclist. The pass can be used for seven days and includes both rims. Single vehicle park passes may be purchased outside the park’s south entrance in Tusayan, Arizona at:
- Grand Hotel
- Grand Canyon Squire Inn
- Canyon Plaza Resort
- Red Feather Lodge
- RP Stage Stop
- Xanterra Trading Post
- Imax—National Park Service Desk
- Grand Canyon Flight—at the Grand Canyon Airport

Fees collected support projects in the park. Additional park passes are available. For information on Annual Passes, Active Military Passes, Senior Passes, and Access Passes visit
http://go.nps.gov/1unwl7

The Guide
For park ranger programs, services, hours of operation and other current information, see Grand Canyon National Park’s seasonal newspaper The Guide. The park publishes an edition for both the North and South rims.
http://go.nps.gov/qlogg

Accessibility
For information about accessibility in Grand Canyon National Park please see
http://go.nps.gov/1rtxl2

Pets
Pets are allowed inside the park but must be leashed at all times and are not allowed below the rim, inside buildings, or on shuttle buses. Persons wishing to take service animals below the rim must check in at the Backcountry Information Center. A kennel is available on the South Rim for more information visit
http://go.nps.gov/loxbia

The Park is Open
The South Rim is open all year, unlike the North Rim which closes November due to snow and re-opens in mid-May. Park entrances remain open 24 hours a day. Although the park never closes, hours for visitor centers and businesses vary seasonally.

Located entirely in northern Arizona, the park encompasses 277 miles of the Colorado River and adjacent uplands. One of the most spectacular examples of erosion anywhere in the world, Grand Canyon is unmatched in the incomparable vistas it offers to visitors on the rim. Grand Canyon National Park is a World Heritage Site.

# Weather

## Seasonal Conditions, Temperatures, and Precipitation

### Summer

**June through August on the rims**

Beautiful weather shines on the rims, while brutal heat tortures the inner canyon. The high elevation and low humidity causes dramatic changes in temperatures from day to night; bring a jacket. Frequent thunderstorms in July, August, and early September provide dramatic canyon vistas; stay away from the canyon rim if lightning is present. The excessive heat in the canyon can be dangerous and even fatal to unprepared hikers.

### Spring and Fall

**April, May, September, and October on the rims. March, April, October, and early November in the canyon**

Come prepared for a variety of conditions during these changeable seasons. May and October typically may be dry, but snow on the rims is not unusual. Late April and May potentially feature strong winds on the rims. These can be the best times for hiking in the canyon, making overnight permits harder to obtain for popular camp spots.

### Winter

**November through March on the rims. December into February in the canyon**

While the South Rim remains open year-round, the road to the North Rim closes with the first heavy snowfall. Canyon views may be obscured during passing storms, but the canyon formations highlighted by snow are unforgettable. Entrance fees are not refunded due to weather. South Rim roads are plowed, but temporary closures may occur.

### Current Weather and Road Conditions: [http://go.nps.gov/grca_wr](http://go.nps.gov/grca_wr)

### Sunrise and Sunset

Consider admiring a sunset at any point along the canyon’s rim. Some viewpoints are more popular than others but a Grand Canyon sunset is inspiring wherever you see it. If you desire a solitary experience, consider waking up early and seeing a sunrise.

### A Shocking Experience

Grand Canyon thunderstorms are common in late summer. While bringing much needed water and life to this arid landscape, storms also bring lightning that can be deadly. If a storm approaches, stay away from the canyon rim and move into a vehicle or building.

Parking and Shuttle Buses
Grand Canyon’s South Rim can be very busy. Parking near Grand Canyon Visitor Center is usually a good choice for most visitors. Parking in the historic Grand Canyon Village can be difficult and time consuming.

Shuttle buses are free and operate like a city bus system. Running clean burning fuel, these buses are an easy way to see many popular points along the South Rim. See The Guide for routes, stops, and information.

Shuttle buses are equipped with bicycle racks, wheelchair ramps, and a “kneel” to reduce step. Please note wheelchairs larger than 30 inches (76 cm) wide by 48 inches (121 cm) deep cannot be accommodated on shuttle buses; this includes most motorized scooters.

Viewpoints
Grand Canyon vistas are indescribable. Some are considered more popular than others, but no view of the canyon is a bad view.

Hermit Road: Travel the 7-mile (11 km) Hermit Road. Stop at nine scenic viewpoints and numerous un-named overlooks.

Desert View Drive: Explore along 25 miles (40 km) with views of the Colorado River and Grand Canyon Supergroup. Climb to the top floor of Desert View Watchtower for a 360-degree view.

Colorado River: See portions of the Colorado River from viewpoints along Hermit Road, Desert View Drive, and from Yavapai and Mather points.

Things to do
See the Park Film: This 22-minute introduction film repeats on the hour and half-hour in Grand Canyon Visitor Center.

Go on a Hike: See page 12 for rim and inner canyon day hiking information.

Ride a Bicycle: Journey through the inner forest and along parts of the canyon rim on the Greenway Trail.
Information

The National Park Service staffs several visitor centers on the South Rim. All are open every day of the year; hours vary seasonally.

Village Area

Grand Canyon Visitor Center
Plan your visit, and learn about Grand Canyon through the free park film, new exhibits, and nearby viewpoints.

Backcountry Information Center
Chat with park rangers to obtain backcountry information and permits.

Kolb Studio
View exhibits in the restored 1904 Kolb brothers’ home and photography studio.

Verkamp’s Visitor Center
Visit one of the oldest buildings in Grand Canyon Village and discover community history.

Yavapai Geology Museum
Find answers to your questions with 3D maps and exhibits about the geologic story you see through the windows.

Desert View Area

Tusayan Museum and Ruin
Look into the past and present day lives of thriving American Indian communities. Located 3 miles (4.8 km) west of Desert View.

Desert View Visitor Center
Explore how Grand Canyon inspired artists, writers, musicians, and conservationists.

A National Park Service passport cancellation stamp is available at these facilities, except for the Backcountry Information Center. The stamp is also available at Indian Garden, Phantom Ranch, and North Rim.

Camping

In the Park

Mather Campground (NPS)
$18/night; no hook-ups; dump station available. Maximum vehicle length: 30 feet (9.1 m). Open year-round; reservations strongly recommended April through October. Operates on a first-come, first-served basis December 1 to March 1.

Less visited than the South Rim, the North Rim offers solitude with quiet canyon views. North Rim opens in mid-May; services close mid-October and the road closes in November or depending on snow. For information, see *The Guide*, North Rim edition.

**Driving Viewpoints**

Point Imperial: Travel 11 miles (18 km) to view Mt. Hayden and Marble Canyon along this beautiful 20-minute, one-way drive from the visitor center.

Cape Royal: Drive 23 miles (37 km) to explore Angels Window and ancestral Puebloan ruins at Walhalla Glades. Allow plenty of time to enjoy this 45-minute, one-way drive from the visitor center.

**Things to Do**

Enjoy the View: From North Rim Lodge, trails along the rim, or out on the Walhalla Plateau.

Go on a Hike: See page 12 for rim and inner canyon day hiking information.

Ride a Bicycle: Permitted on all roads unless posted; prohibited on all trails, except the Bridle Trail.

**Tuweep/Toroweap**

Located in the northwest portion of the park, this seldom-visited area boasts awe-inspiring views. Access from Fredonia, Arizona, is via 60 miles (97 km) of unpaved, rough and dusty road with no services.

Visitors should start with a high clearance vehicle, a full tank of gas, and two spare tires. The road ends at Toroweap Overlook; campground, picnic tables, and composting toilets nearby. No water, electricity, or telephone service available at the site.

River Adventures

For many, rafting down the Colorado River through the Southwest canyons becomes the ultimate adventure, a life-changing experience. Several options allow exploring the river on a diversity of time spans and budgets.

1-Day Commercial Trips

Half-day and all-day smooth-water float trips travel 15 river miles (24 km) from Glen Canyon Dam to Lees Ferry, March 1 to November 30.

Colorado River Discovery
(888) 522-6644
www.raftthecanyon.com

2–5 Day Lower Gorge River Trips

Private river trips can float 52 river miles (84 km) from Diamond Creek to Lake Mead. Permits are available starting one year in advance on a first-come, first-served basis. The National Park Service does not assess permit fees for this section of the river, but the Hualapai Tribe charges access fees for crossing their reservation. For information and applications visit: http://go.nps.gov/sxsoub

12–25 Day Trips

Since demand far exceeds supply, non-commercial permits to travel 226 river miles (364 km) from Lees Ferry to Diamond Creek are dispensed via a weighted lottery. Each February, the National Park Service conducts a main lottery to assign the majority of launch dates for the next year. Additional follow-up lotteries occur throughout the remainder of the year to re-assign cancelled or left over trips. Visit http://go.nps.gov/ig4s55 for more information.

3–18 Day Commercial Trips

The following companies offer river trips through Grand Canyon, traveling 226 river miles (364 km) from Lees Ferry to Diamond Creek. Each company offers a variety of trips lasting three to 18 days in large motorized rafts, oared rafts, paddle rafts, and dories. Contact each company for details.

Hiking the Corridor Trails—Bright Angel, South Kaibab, North Kaibab

Warning!
It is dangerous to hike to the river and back in one day

Be Prepared: There is no water on the South Kaibab Trail.
**Day Hiking**

Hiking in Grand Canyon—a life changing experience—creates life-long memories dependent on the choices you make. Unprepared hikers suffer extreme consequences, while prepared hikers come back, reliving adventures again and again. See page 13 for hiking tips.

Hiking to the river and back in one day is not advised and dangerous. Summer heat occasionally causes fatalities. In winter, cold temperatures and slippery trails can cause accidents and hypothermia. Hiking Tips

Leave No Trace
Leave No Trace, a nonprofit organization, promotes responsible outdoor recreation through education, research, and partnerships. All Grand Canyon backcountry users are asked to follow the Leave No Trace principles to minimize impacts on the landscape as a result of their activities. While enjoying your visit, please consider the following to help protect Grand Canyon for future generations.

1. Plan Ahead and Prepare.
   - Learn the conditions along the route you plan to hike.
   - Know the weather forecast.

2. Travel and Camp on Durable Surfaces.
   - Stay on trails; do not cut switchbacks.
   - Good campsites are found, not made. Altering a site is prohibited.

3. Dispose of Waste Properly.
   - Bury solid human waste at least 200 feet (60 m) from water in a shallow cat hole 4 – 6 inches (10 – 15 cm) deep and 4 – 6 inches in diameter.
   - To wash yourself and dishes, carry water 200 feet (60 m) from the water source.
   - Pack out what you bring in, including toilet paper and all trash.

4. Leave What you Find.
   - Do not disturb any cultural resources including artifacts or other archeological remains.

5. Minimize Campfire Impacts.
   - No campfires allowed in Grand Canyon National Park backcountry.
   - Do not burn toilet paper.

7. Be Considerate of Other Visitors.
   - Let nature’s sound prevail. Keep loud voices and noises to a minimum.

Hike Smart
Grand Canyon is a place of extremes. Summer heat can become fatal in the inner canyon, while snow and ice can lead to dangerous circumstances during winter. A hiker’s best defense is being prepared for all situations.

5 Strategies for an Enjoyable Hike
1. Always check on weather and trail conditions before starting your hike. Talk with park rangers in the Backcountry Information Center or National Park Service visitor centers.
2. During summer, hike before 10 am and after 4 pm. In winter, hiking poles help with balance on icy trails.
3. Double your calories, double your fun. Consume salty snacks and water on any hike lasting longer than 30 minutes. Snack every time you drink.
4. For every hour hiking in the canyon, drink one-half to one quart /liter of water or sports drinks.
5. Rest often: sit down, prop your legs up, and take a 5- to 10-minute break once every hour.

Gear
- Dress in layered clothing for snow, rain, sun, wind, heat, and cold.
- Wear and bring sunscreen. Re-apply regularly.
- Wear a hat that covers your ears and carry a headlamp to use in the dark.
- Bring food, water, a map, first aid kit, and any medicine you may need.
- Use over-the-shoe traction devices and hiking poles to assist you in snowy or icy conditions.

Remember:
- It can take twice as long to hike up as it took to hike down.
- Hiking to the river and back in one day is dangerous and never recommended due to long distances and a near 5,000 foot (1,524 m) one-way elevation change!
- Persons wishing to take a service dog below the rim must check in first at the Backcountry Information Center.
- Colorado River is fast, wide, and cold (55°F / 13°C). Do not swim in the river.
- Rocks tossed over or dislodged by taking shortcuts can injure hikers below.
- A permit is required to camp in the backcountry. Stop by the Backcountry Information Center to obtain a permit.

Do I Need a Permit?
Permits are required for all overnight backcountry use including:
• overnight hiking
• overnight horseback riding
• overnight cross-country ski trips
• off-river overnight hikes by river trip members
• overnight camping at rim sites other than developed campgrounds

Day hiking, day horseback riding, river trips, mule trips, and overnight stays in dormitories or cabins at Phantom Ranch do not need a backcountry permit.

Fees
A $10 non-refundable fee will be charged for each permit issued; plus $5 per person per night for below the rim camping and $5 per group per night to camp on the rim.

Backcountry permits do not include park entrance fees and once submitted cannot be refunded. Permits cancelled at least four days in advance will receive a hiker credit (minus a $10 cancellation fee) valid for one year.

Frequent hiker memberships are available for $25. The initial $10 fee will be waived for each permit obtained by the trip leader; membership valid for 12 months from purchase date.
When to Apply
Popular use areas and campsites fill up quickly. Submitting requests on the earliest allowed date is strongly recommended. The Backcountry Information Center accepts permit applications no earlier than the first of the month, four months prior to the proposed start of the trip (see chart below).

Since the Backcountry Information Center needs time to process and mail responses, written requests will not be accepted 21 days before the proposed start date. Only in-person requests will be considered within this time frame.

Permit Responses
All written requests are responded to via US mail only. Please allow at least three weeks for processing. When space is available and all fee requirements are met, a permit will be issued and mailed to the trip leader. If you have been denied a permit through the mail, you may want to consider day hikes or attempt to obtain a last minute, walk-in permit in person at the Backcountry Information Center.

Length of Stay
During spring, summer, and fall, camping in designated campsites or campgrounds is limited to two nights (consecutive or non-consecutive) per hike. From November 15 to February 28, up to four nights will be allowed at Indian Garden, Bright Angel, and Cottonwood campgrounds. Trips are limited to a maximum of seven nights per use area; however, overall trip lengths are not limited.

Group Size
Groups are restricted to 11 or fewer people. More permits are available for small groups (one to six people) than for large groups (seven to 11 people). Limiting the size of your group increases the chances of obtaining a permit. Do not obtain multiple permits for the same night for the same campground or use area or all permits will be void.

Use Areas
The backcountry is divided into use areas, ranging from several hundred acres to several thousand acres. Each use area has an overnight capacity based on the size of the area, the number of suitable campsites, the area’s ecological sensitivity, its management zoning, and its history. A list of use areas and additional information is posted online at [http://go.nps.gov/whgm99](http://go.nps.gov/whgm99).

Last Minute Permits
A limited number of last minute walk-up permits are available at the Backcountry Information Center for corridor campgrounds (Indian Garden, Bright Angel, and Cottonwood campgrounds). These permits are issued in person only, for one or two consecutive nights, and cannot be purchased more than one day prior to the start of a hike.
Get Involved

Junior Ranger
Grand Canyon National Park and over 250 national parks offer a FREE Junior Ranger Program. At Grand Canyon, people ages four and older are invited to pick up a Junior Ranger Booklet at any National Park Service visitor center. Parents, consider making a great memory and become a Junior Ranger with your child; there is no age limit! Available at Phantom Ranch, South Rim, and North Rim (summer only).

To Participate:
• Attend a free park ranger program.
• Complete four activities for your age group.
• Bring your completed booklet back to any National Park Service visitor center to receive an official Junior Ranger certificate and badge.

Environmental Education
Teachers: Class Trips and Workshops
Park rangers conduct curriculum-based programs that support and enhance information learned in the classroom. The program encourages students to explore, experience, and engage in the learning process, while taking place along the rim of Grand Canyon—an inspirational backdrop for learning.

Expeditions for Teens
High school youth from all over the country explore Grand Canyon during hiking, rafting, and camping adventures.

Expeditions with Grand Canyon Youth
Experience the beauty, adventure, and learning that only a river trip can provide. This program is designed to have a positive impact on youth—an impact that reaches far beyond the time they spend on the river.

Volunteer
Want to make a difference during your stay? Volunteer at Grand Canyon!

You can help Grand Canyon in a variety of ways, from enhancing visitor services to sharing your specialized expertise to help protect and preserve park resources.

Log on to www.volunteer.gov to learn about current volunteer opportunities in Grand Canyon National Park.

Vegetation
Work with the National Park Service’s Vegetation Program to restore native plant communities and protect the ecological integrity of Grand Canyon National Park.
Contact the Vegetation Program Volunteer Coordinator at (928) 638-7753 for information about potential accommodations and upcoming opportunities.

Artist-in-Residence
The Artist-in-Residence Program offers professional artists the opportunity to spend three weeks on either rim in provided housing.

Grand Canyon Field Institute (GCFI)
GCFI offers fun and informative educational classes and tours for everyone—from thrill-seekers to chill-seekers. On day hikes, backpacks, and whitewater rafting trips, GCFI’s expert instructors share the must-see wonders of Grand Canyon with park visitors. These courses treat young and old, small groups and solo travelers, to what is often described as the trip-of-a-lifetime!

Grand Canyon Proudly Recycles

Throughout the park you will find recycling receptacles. Below is a list of accepted recyclables.

Aluminum—Beverage and food cans; clean aluminum foil.
Cardboard—Please break down boxes.
Chipboard—Clean boxes or packaging from tissue, personal hygiene, dry food, cereal, cake mixes, shoe, gift, and detergent. No frozen food, milk, juice, or produce boxes.
Glass—Bottles only.
Junk Mail and Letters—Includes self-sealing and window envelopes.
Magazines and Catalogs—Glue-bound magazines only. No paperback, hardback, or phone books.
Metal—Food cans (rinse cans), metal lids, empty aerosol cans, galvanized steel.
Newspaper and Office Paper—White and colored paper, manila folders, manila envelopes.
Plastics—All rigid plastics #1 thru #7. These include all soda, detergent, water, and shampoo bottles, milk jugs, plastic food containers, and all lids (remove lids from bottles). No plastic bags or styrofoam.

Place the following items in a trash dumpster: styrofoam or packing peanuts, Pyrex, plate glass or auto glass, waxed cardboard, carbon-paper, large pieces of steel, iron, brass, or copper.

Please put trash in proper receptacles and if full, find an empty one in another location. Cigarette butts are litter too; extinguish and place in trash cans or ashtrays.

Reduce, Reuse, REFILL!

Did you know that Grand Canyon National Park is a World Heritage Site? In an effort to reduce litter in this world-class landscape, plastics in the park’s waste stream, and greenhouse gas emissions (GHGs), the National Park Service and its partners, including the Grand Canyon Association, Delaware North Companies, Xanterra South Rim, and Forever Resorts on the North Rim, as part of a reusable water bottle program, are no longer selling water packaged in individual disposable containers.

We have filling stations! Filling stations that provide fresh Grand Canyon spring water are now available throughout the park:

**South Rim**
- Hermits Rest
- Bright Angel Trailhead
- South Kaibab Trailhead
- Canyon Village Market
- Desert View Market
- Verkamp’s Visitor Center
- Grand Canyon Visitor Center
- Yavapai Geology Museum
- Desert View Visitor Center
- Maswick Lodge
- North Kaibab Trailhead

**Fill ‘er up!** What can you do to help? Bring or buy a reusable water bottle and fill it up for free. You can purchase reusable, souvenir water bottles at all park retailers.

**Why refill?** When you refill your bottle you:
- Enjoy fresh Grand Canyon spring water.
- Reduce litter within the park, plastics in the waste stream, and GHGs.
- Save money—Grand Canyon spring water is FREE!
- Help save our environment!

Xanterra Parks & Resorts® provides South Rim lodging, dining, transportation services, shops, and operates the Grand Canyon Railway. Award-winning sustainability efforts include:

• Won the NPS Environmental Achievement Award for numerous sustainability initiatives and progress toward federal environmental targets.
• Implemented a LEED Gold renovation at Bright Angel Lodge, with waterless urinals, dual flush toilets, ultra low-flow faucets, super efficient hand dryers, occupancy sensors, and a renewable energy system for sensor faucets. Installed efficient HVAC system and new skylights in gift shop.
• Replaced diesel buses with nine efficient CNG full-sized tour buses.
• Purchased 23.81% of food and beverages locally or sustainably produced.
• Powered the Grand Canyon Railway steam locomotive with 100% waste vegetable oil, collected from South Rim restaurants.
• Replaced individual 1oz bottles with bulk bathroom amenities in most guest rooms.
• Tracked number of disposable bottles eliminated by water filling station in Maswik Lodge Cafeteria.

Delaware North Companies (DNC) provides markets at the South Rim and Desert View and is a key partner in environmental stewardship at Grand Canyon.

• Won the NPS Environmental Achievement Award (2010) for a green interior remodeling of Canyon Village Market at Market Plaza.
• Installed water bottle filling stations in Desert View and Canyon Village markets.
• Used an Environmental Management System, GreenPath®, to guide environmental operations. DNC is an international ISO 14001 standard certified organization.
• Offered organic groceries, earth-friendly cleaning supplies, and gifts made from organic material and recycled content. The Deli disposable cups, utensils, and containers are 85% compostable.

Forever Resorts operates Grand Canyon Lodge, shops, and restaurants on the North Rim. Their award-winning Forever Earth™ Environmental Management System is certified to ISO 14001:2004 and provides sustainable operations guidance.

• Increased solid waste diversion rate to nearly 100% through an extensive recycling program. Sent only a small amount of waste to a landfill and used only one dumpster.
• Used an organic composter to digest restaurant food waste into an organic, odor-free liquid that safely travels through the waste system. Composted more than 19,000 pounds last year, reducing 15,827 pounds of greenhouse gas.
• Recycled plastic and glass containers with a reverse vending machine that rewards the environmentalist with a General Store coupon credit.
• Practiced green purchasing throughout operations, including retail and gift items, cleaning and maintenance supplies, food, and beverages. Purchased organic, locally, regionally, and repurposed items whenever available to support the local economy.
