The SLR is also issued to clarify a statement in the form. In Section 7, page 1, paragraph 1, it is stated that the three units of the Park were administratively listed in the National Register of Historic Places in 1966 as National Historic Landmark districts. This is incorrect; the Park was administratively listed in the National Register in 1966, but not designated a National Historic Landmark. The only National Historic Landmark in the Park is the Wayside.
