Welcome to Obed Wild & Scenic River!

This is a very special year. Obed Wild & Scenic River will be celebrating the 50th anniversary of the Wild & Scenic Rivers Act. On October 2, 1968, President Lyndon Johnson signed the Wild & Scenic Rivers Act to preserve certain rivers with outstanding natural, cultural, and recreational values in a free-flowing condition for the enjoyment of present and future generations. Throughout 2018, the park will be offering special events to celebrate this momentous signing.

Obed WSR is one of the best examples of a free-flowing river system in the eastern United States. And the beauty of Obed WSR is on full display in the fall and winter months. Both first time and recurring visitors are sure to be impressed by spectacular scenery and fall foliage.

Whether you go for a hike along one of the park’s trails, participate in one of our award-winning ranger-led programs, go whitewater paddling, or just go for a relaxing afternoon of fishing, there is something here for everyone.

A great way to start your visit to YOUR park is by stopping by the visitor center in downtown Wartburg. Knowledgeable park staff will give you the latest park information and updates to help you make the most of your park experience. While you’re there, watch our award-winning park film. It’s only 12 minutes long and does a fabulous job of showing why this place is so special.

Regardless of which activity you choose to enjoy, I invite you to #FindYourWay to get out and explore America’s national scenic, recreational, and historic wild and scenic rivers.
