“Spring and summer at the Obed,” a phrase that conjures up images of warmer weather, colorful wildflowers in bloom, songbirds chirping, and visitors getting outside to enjoy the great outdoors. Obed Wild and Scenic River is the perfect place to experience the sights and sounds of spring and summer, and a variety of exciting and challenging outdoor activities.

This guide is designed to help you choose the best activity for the time that you have available to spend exploring the Obed. And the visitor center is a great place to start your adventure. There you can speak to a park ranger for information on upcoming park events and activities, and how to make the most of your visit. There is also an informative 15-minute video to enjoy. This award-winning video is a quick and enjoyable way to learn why Obed is so special. Be sure to stamp your NPS passport book while you’re there.

An excellent way to learn more about the park while exploring the outdoors is to attend a ranger-led program. Programs are free, and offered year-round. Program topics include: guided hikes, rock-climbing, night sky, birding, and more. For more information about upcoming ranger-led programs, call (423) 346-6294.

Whether you are interested in whitewater paddling, hiking, fishing, picnicking, rock climbing, bird-watching, or sitting on a rock and enjoying a good book, Obed is an excellent place to immerse yourself in the outdoors.

Thank you for spending a part of your spring and summer at Obed Wild and Scenic River.
