Action: A letter of May 17, 1934, from the Camden Board of Trade requested an investigation of the area. Mr. Desmaray's answer of May 24, 1934, stated that the area is not believed to be of national park caliber, but that if the Board of Trade would submit maps, photographs and other pertinent data, the advisability of an investigation could be ascertained.

No data has been received. 8-9-34.
