STATEMENT OF SIGNIFICANCE:

Date of Construction: / / 1932 Date of Alterations: / /
 Architect/Designer: _____ Historical Theme(s): NPS Rustic Architecture
 History of Structure: This log structure was built in 1932 at an original cost of \$1,500. Its construction was recommended by Thomas E. Carpenter, and plans were drawn by the Branch of Plans and Design.

Evaluation of Structure: Historic Theme Contributing X Non-Contributing _____
 National Register Criteria: A B C D (Include integrity statement)
This log structure is typical of early built NPS Rustic Architecture in Rocky Mountain National Park. The painted brown log construction, with the logs extending beyond the corner notching and wood shingle roofs are typical characteristics of the style.
