Visitor Centers

**East of the Divide – Estes Park Area**

**Beaver Meadows Visitor Center**
Open daily June 19 - Aug 27, 8 to 9, Aug 28 - Sept 5, 8 to 7. Features spectacular free park movie, information bookstore, large park orientation map, and backcountry permits in an adjacent building.

**Sheep Lakes Information Station**
Open daily 8:30 to 4, through August 20. Horseshoe Park is a good place to look for wildlife, including bighorn sheep and elk. Information & programs.

**Fall River Visitor Center**
Open daily 9 to 5. Features beautiful life-size wildlife displays, a children's discovery room with objects to touch, information and a bookstore.

**Alpine Visitor Center**
Open daily (weather permitting) 9 to 5. Features extraordinary views of alpine tundra, displays, information, bookstore, adjacent gift shop and cafe. Call 970-886-1222 for Trail Ridge Road conditions.

**Moraine Park Visitor Center**
Open daily 9 to 5. Interactive exhibits on the past and present landscape, and a bookstore. Great views of glaciated Moraine Park.

**West of the Divide – Grand Lake Area**

**Kawuneeche Visitor Center**
Open daily 8 to 6. Features free movies, exhibits on wonders of the park, a bookstore, and backcountry permits.

Weather and Road Conditions
Trail Ridge Road is open, weather permitting. For current park road and driving conditions, please stop at a visitor center or call the Trail Ridge Road status line (970) 586-1222.

The park Information Office operates seven days a week and can be reached at (970) 586-1206.

Old Fall River Road opens for the season when weather permits. The road is narrow, one-way up only, has tight switchbacks, and no guardrails. Vehicles over 24 feet long and trailers are prohibited. See www.twitter.com/RMNPOfficial, or the park website at www.nps.gov and click on road conditions.

What Can I Do While I’m Here in Rocky?
Rocky Mountain National Park has so much to offer, whether you have a couple of hours, a couple of days, or more. Here are some ideas:

If You Only Have Two Hours
- Stop at a visitor center and explore the exhibits, or talk to a ranger.
- Take a drive.
  - On the east side:
    - The scenic road to Bear Lake is open year-round. To avoid summer congestion, hop aboard a free park shuttle bus. See the back page for schedules.
    - Loop through Horseshoe Park and drive up to the Alluvial Fan.
    - Look for wildlife. Year-round, elk, mule deer, and bighorn sheep may be seen.
    - Go as far as you want on Trail Ridge Road. Every one of the many overlooks provide spectacular views.
  - On the west side:
    - Go as far as you want on Trail Ridge Road, and enjoy the many scenic overlooks and pull-offs. Depending on traffic, the Continental Divide at Milner Pass is about 40 minutes from Kawuneeche Visitor Center.
    - Visit Holzwarth Historic Site and get a taste of early tourism at one of the first dude ranches in Colorado.
    - Look for moose in the Kawuneeche Valley.
    - Take a short walk on one of the area trails.

If You Only Have Four Hours
Do any of the above PLUS:
- Take a stroll on a self-guided nature trail. See ideas on page 11.
- Linger longer at overlooks and pull-offs to read the wayside exhibits.
- Experience the wilderness of the park’s backcountry on a hike. Check with a ranger for trail suggestions.
- Attend a ranger-led activity or program. Lists are on pages 4-7.
- Enjoy a picnic. Picnic areas are marked on the park map.
- Go horseback riding. Two stables are located in the park, and many more in adjacent areas lead rides into the park.
- Go fishing. Many streams and lakes harbor trout.
- Try bird watching. A beautiful variety of birds call Rocky home.

If You Have a Day (or More)
Do any of the above PLUS:
- Go farther. Take a longer drive or hike.
- Take time for yourself to soak in the magnificent scenery. Unwind and detach from the world (cell phones don't work in most of the park).
- Be a Junior Ranger. Designed for children 2 and younger, booklets (Spanish and English) include fun activities the whole family can enjoy. Pick up a booklet at a park visitor center and earn a Junior Ranger badge.
- Visit other parts of the park. This is a big place and there is a lot to see.
- Combine a variety of the above. Whatever you do, enjoy your visit to Rocky Mountain National Park!

Walking On Alpine Tundra
With the exception of four Tundra Protection Areas surrounding Alpine Visitor Center, Forest Canyon, Rock Cut, and Gore Range overlooks, you can, with care, walk on the alpine tundra. In the four areas listed above you must stay on trails as you walk.

To help preserve alpine tundra:
- Stay on trails where they exist.
- Never walk single file off trail.
- Step on rocks or gravel where possible.
- The tiny plants thank you.

U.S. Department of the Interior
National Park Service
The official newspaper of Rocky Mountain National Park
Summer - 2011
June 19 - September 5

Visit other parts of the park. This is a big place and there is a lot to see.

Combine a variety of the above. Whatever you do, enjoy your visit to Rocky Mountain National Park!
**Bicycles in the Park**
Bicycling is permitted on public roads, both paved and dirt, but not on trails. There are no bike paths and many roads are narrow and have little or no shoulders, so ride cautiously.

**Campfires**
Campfires are permitted in campgrounds and picnic areas where fire grates are provided. Campfires are not allowed in the backcountry. Collecting vegetation, living or dead, is prohibited. Firewood is for sale at all park campgrounds.

**Concessions Services**
- **Horseback Riding**
- **YMCA of the Rockies Livery**
- **Colorado Mountain School**
- **Hi Country Stables**
- **Meeker Park**
- **Jackson Stables**
- **CowPoke Corner Corral Stables**

**Hunting, Recreational Shooting, and Target Practice**
- Hunting, recreational shooting, and target practice are not allowed in Rocky Mountain National Park.
- Firearms are permitted in Rocky Mountain National Park. A federal law allows people who can legally possess firearms under federal, Colorado, and local laws, to possess firearms in Rocky Mountain National Park. It is the visitor’s responsibility to understand and comply with all applicable state and federal firearms laws.
- Federal law prohibits firearms in certain facilities in this park; those buildings are posted with signs at public entrances.
- If you have questions, please contact the park Information Office at (970) 586-1206.

**Food Storage**
Do not attract wildlife, including black bears, to your campsite. Keep a clean camp! Never leave food items unattended. Improperly stored or unattended food items will likely result in confiscation and/or issuance of a citation by a park ranger.

In campgrounds, all food items must be stored by one of the following methods:
- Inside vehicle trunks. Be sure windows are closed and doors are locked.
- In vehicles without trunks, items should be placed as low in the vehicle passenger compartment as possible and covered from sight, with windows closed and doors locked.
- If you cause an animal to move or stress, leading to disease or illness.
- Park provided bear boxes at campgrounds.
- In closed and doors are locked.
- In vehicles without trunks, items should be placed as low in the vehicle passenger compartment as possible and covered from sight, with windows closed and doors locked.
- In park provided bear boxes at campgrounds.
- In vehicles without trunks, items should be placed as low in the vehicle passenger compartment as possible and covered from sight, with windows closed and doors locked.
- In park provided bear boxes at campgrounds.
- In vehicles without trunks, items should be placed as low in the vehicle passenger compartment as possible and covered from sight, with windows closed and doors locked.
- In park provided bear boxes at campgrounds.

**Lost and Found**
Please turn found items in at any park visitor center. To inquire about lost items, call the Backcountry Office at (970) 586-1242.

**Park Entrance Fees**
- **Automobile Entrance Fee** - Single-family vehicle entrance fee is valid for seven consecutive days, including date of purchase. $20
- **Rocky Mountain National Park Annual Pass** - Provides unlimited entry to this park for one year from the date of purchase. $40
- **Rocky Mountain National Park/Arapaho National Recreation Area Annual Pass** - Provides unlimited entry to both areas for one year from the date of purchase. $50

**Pets**
Pets are allowed in the park, but only in picnic areas, parking lots, campgrounds and along roadsides, never on trails or meadow areas. Pets must be on leashes no longer than 6 feet when outside vehicles.

For the safety of your pet and the benefit of park wildlife and other visitors, pets should not be left unattended. You may not leave your pet unattended in vehicles if it creates a danger to the animal or if it becomes a public nuisance. Pets may not be left tied to vehicles, trees or other objects.

**Take Only Pictures**
Regulations prohibit taking any natural features including pinecones, rocks, antlers, artifacts, or disturbing soil, rocks, or vegetation in the park.

**Trails**
- **2125K 2nd run**
- **62 or older. $10**

**U.S. citizens or permanent residents**

**Free lifetime pass**

**Parks and Federal Recreational Lands Access Pass**

**America the Beautiful – National Parks and Federal Recreational Lands Annual Pass**

**America the Beautiful – National Parks and Federal Recreational Lands Senior Pass**

**Picnicking**
Picnic areas are located throughout Rocky Mountain National Park. Check the park map for specific locations and directions.

**You Are Responsible**
You are responsible for knowing and obeying park rules. Check at visitor centers, at entrance stations, on trailhead bulletin boards, and on the park website http://www.nps.gov/romo to find out more. When in doubt, ask a ranger.

**Park Phone Numbers and Website**
- **Trail Ridge Road status:** (970) 586-1222
- **Call Park Information:** (970) 586-1206 with your questions. We are available to assist you from 8:00 to 4:30 daily.

**The Official Park Website is http://www.nps.gov/romo**

**Follow us on Twitter @ RMNOfficial**

**Like us on Facebook @ Rocky Mountain National Park**

**Dial 911 or (970) 586-1203 to report emergencies**

---

**Keep Wildlife Wild**

Never feed wildlife. A fine may be issued to violators. Animals can kick, bite, or gore you. They can become dependent on human food and lose the ability to feed naturally.

Wildlife also carry diseases which can be transmitted to humans, such as rabies and plague. Photograph animals from the roadside.

**Please don’t feed me!**

---

**International Sister Parks**

Rocky Mountain National Park and the Tatras National Parks in Slovakia and Poland have formally become sister parks. With similar mountain terrain and ecosystems, and sharing common issues, the three parks are exchanging information and expertise to better manage these great preserves for the benefit of all.
Falling Trees
Falling trees are an ever-present hazard. When traveling or camping in the forest, trees can fall without warning. Be particularly watchful when it’s windy, or following a snowstorm when branches are heavy with snow. Avoid parking where trees could fall.

Mountain Climbing
Specialized skills and equipment may be required to safely reach a summit. Spring and early summer climbing can present unique challenges since lingering snow and ice are present. Summiting Longs Peak is not a hike, but a climb. Ask for information before you climb or visit the park website at http://www.nps.gov/romo/planyourvisit/longspeak.htm

High Elevation
A large number of the visitors to this park each year experience symptoms of altitude sickness. Symptoms range from headache and dizziness to nausea and eventually unconsciousness. Rocky Mountain has the highest average elevation of any national park -- even the main road climbs to 12,183 feet! The road is higher than most U.S. mountains. High altitude can also aggravate existing medical conditions such as heart and lung diseases. Take your time and be sure to drink plenty of water. The only cure for altitude sickness is to go down to a lower elevation.

Mountain Lions and Bears
Mountain lions and black bears are powerful and potentially dangerous. Some general guidelines for traveling in backcountry areas of Rocky Mountain where wildlife may be encountered:

1) **Travel in Groups** and make noise as you hike. Keep your group, especially children, close together.
2) **Do Not Approach** a mountain lion or bear.
3) **Stay Calm** when you see a mountain lion or bear.
4) **Stop**, back away slowly. Never turn your back and run.
5) **Stand Tall and Look Large**. Raise your arms. Protect small children by picking them up.
6) If approached, make loud noises, shout, dab hands, clap pots and pans.
7) If attacked by a mountain lion or bear, **Fight Back**.

**Lightning**
People are killed by lightning every year in Colorado. Afternoon storms are frequent and can bring an unhappy end to a hike. **Watch for approaching storms and be well below treeline or back in your car before the storm hits.** If you are caught out in the open during a lightning storm, do not seek shelter under a tree or rock overhang. You want to squat down as low as you can, keeping both feet together and avoid being the tallest thing around you. Keep your pack, hiking poles, and all metal away from you while you are exposed.

**Hiking Safety**
With over 350 miles of trails, the park offers a vast array of choices. Many higher trails and shaded areas can hold snow well into July. Please check at a visitor center for current conditions before hiking. Even for short day trips, be sure to pack gear for all types of weather (sun, rain, snow, wind). Windproof/waterproof clothing is essential gear to wear or carry.

**Trail Tips: Stay together. This is the most important tip that comes from the experience of park search and rescue teams! Be prepared for the rigors of high elevation -- drink plenty of water, and travel at a pace where you can still talk and breathe easily. If you feel poorly, descend to a lower elevation. Pack it in, pack it out, including remains of all your food (pits, peels, etc.), and facial tissues. Let nature’s sounds prevail; avoid loud voices and noises. Pets are not allowed on park trails.**

**Longs Peak Keyhole Route**
The Keyhole Route is **NOT a hike**! It is a climb with exposure requiring scrambling where an unroped fall would likely be fatal. The route has narrow ledges, loose rock, and steep cliffs. A permit is not required. The best route follows red and yellow bulls-eyes. If you lose the bulls-eyes you are likely off route and will encounter more difficult climbing with more severe consequences. It is important to retrace your steps back to the bulls-eyes before continuing. The Keyhole Route can experience winter-like conditions at any time, requiring greater skill and judgment. Be prepared to turn back during sudden, drastic weather changes. The high elevation may affect your condition and judgment. Careful descent is the best treatment. Don’t have summit fever: enjoy the descent, but be willing to turn around at any time.

**Swift Water**
Mountain streams can be deadly dangerous, especially during high runoff. Remain back from the banks of streams and rivers. Provide proper supervision for children, who by nature, tend to be attracted to water. Rocks at streamside and in the stream are often slippery, and water beneath them may be deep. Powerful currents in park streams can quickly pull a person underwater and pin him/her below the surface. Melting snow feeds our streams resulting in extremely cold water temperatures.

**Hypothermia**
Hypothermia is a serious and sometimes fatal condition brought on by exposure to wet and cold. The core body temperature drops to a level that impairs normal muscle and brain activities. Symptoms include drowsiness, loss of judgment or coordination, slurred speech, and uncontrolled shivering. If these symptoms occur, warm the chilled person with dry clothing and warm, nonalcoholic liquids. Get back to your car and seek medical attention.

**Swift Water**

Free Summer Ranger Programs - Alpine & East Side

All children must be accompanied by an adult.

Note: Programs may be cancelled at anytime due to high winds or avalanche conditions.

Free Park Movie

See the stunning 23-minute park movie at the Beaver Meadows Visitor Center from 8:30 a.m. - 2:30 p.m. and 4:00 p.m. - 5:00 p.m., and at the Kawuneeche Visitor Center during normal business hours. Available in español (translation headsets available upon request) and English at Beaver Meadows. English only at Kawuneeche. Features spectacular aerial footage of the rugged high country of Rocky Mountain National Park, as well as wildlife and park history.

### Junior Ranger

**Hey, Kids! Come To The Junior Ranger Headquarters!**

This summer, there is a place just for you – the Junior Ranger Headquarters located at Hidden Valley along Trail Ridge Road. Join a program and get started or complete your Junior Ranger Book. The Rocky Junior Ranger programs are offered for kids ages 6 to 12, from June 19 – August 13, several times a day, 7 days a week! The activities are created and presented with a young person’s level of learning and interest in mind. The programs are free. Parents and adults, please remember - you must be present for your children to participate.

Headquarters is open 10 a.m. - 3 p.m. daily.

Jr. Ranger Programs are at 10, 11:30, 1:00 & 2:30 daily.

Free Junior Ranger books are available at park visitor centers for children ages 12 and under. A successfully completed book earns a badge! You are an important part of this park. Stay in touch. Contact us anytime at: romo_junior_ranger@nps.gov

Los libros de guardaparque juveniles son para niños que tiene 12 años o menos, se pueden obtener sin costo en el centro de visitantes del parque. Si se completa el libro con éxito puede recibir una insignia!

### Rocky Mountain Nature Association

**Join the Million Dollar Challenge to Support Rocky Mountain National Park!**

Every dollar up to $1,000,000 will be matched in 2011 by a generous donor — for the Next Generation of conservationists!

Information available at any RMNP visitor center bookstore - just ask!

**At RMNA Bookstores, Your Purchase Makes A Difference**

A premier selection of Rocky Mountain National Park books, maps and other interesting items can be found right here at one of the Rocky Mountain Nature Association (RMNA) bookstores located in park visitor centers. When you make a purchase from our non-profit organization, proceeds are returned to the park, supporting important educational, interpretive and research programs. Drop by today.

Visit the Rocky Mountain Nature Association bookstores at:
- Beaver Meadows Visitor Center
- Alpine Visitor Center
- Moraine Park Visitor Center
- Fall River Visitor Center

**Kawuneeche Visitor Center**

Ask at park visitor centers for more information, or call: 970-586-3262
Backcountry Camping

Permits are required for all overnight backcountry camping, and reservations are recommended for summer. Camping is allowed only in designated sites and areas. Permits may be obtained at the Beaver Meadows Backcountry Office or Kawuneeche Visitor Center. For further information write to: Backcountry Office, Rocky Mountain National Park, Estes Park, Colorado 80517 or phone (970) 586-1242.

The administrative permit fee is $20 from May 1 to October 31 and $14/site/night for late-May through September. Pets may not stay overnight in your car or RV along a road or at a trailhead. It is common for all park campgrounds to fill up on most summer days and fall weekends. Reservations for late-May through September can be made six months to one day in advance and are highly recommended. To make a reservation: www.recreation.gov or 1-877-444-6777.

Fees to Camp
- When the water is on (summer), all campsites, including RV sites, have a tent pad, picnic table and fire grate.
- Tents must fit on the tent pad; two or three tents are allowed, as long as they fit.
- There are no electric, water or sewer hookups at any park campgrounds.
- None of the campgrounds have showers. Portable showers are prohibited. Public showers are available in nearby communities.

Pets
All campgrounds allow pets with certain restrictions: they must be on a leash no longer than six feet; pet owners must pick up and dispose of pet excrement in trash receptacles; pets may not make noise that impacts visitors or wildlife. Pets are never allowed on any park trails or in meadow areas. Pets should never be left unattended.

Food Storage
Do not attract wildlife, including black bears, to your campsite. Keep a clean camp! Never leave food items unattended. Improperly stored or unattended food items will likely result in confiscation and/or issuance of a citation by a park ranger.

In campgrounds, all food items must be stored by one of the following methods:
- Inside vehicle trunks. Be sure windows are closed and doors are locked.
- In vehicles without trunks, items should be placed as low in the vehicle passenger compartment as possible and covered from sight, with windows closed and doors closed & locked.
- In park-provided bear boxes. Boxes are shared and cannot be locked.

Pack out all garbage.

Food canisters may be rented or obtained at most summer & Ice Length Station.

STA Y LIMITS
The maximum length of stay is seven nights total between June 1 and September 30, plus an additional 14 nights between October 1 and May 31. Stay limits are on a parkwide basis rather than on a per campground basis.

At All Standard Campsites
- No more than eight people may camp at a given site.
- All campsites, including RV sites, have a tent pad, picnic table and fire grate.
- Tents must fit on the tent pad; two or three tents are allowed, as long as they fit.
- There are no electric, water or sewer hookups at any park campgrounds.
- None of the campgrounds have showers. Portable showers are prohibited. Public showers are available in nearby communities.

Backcountry Guide
For your safety and the protection of park wildlife, carry in/carry out hard-sided, bear-resistant food storage canisters are required of all backcountry campers. Canisters are required of all backcountry campers parkwide between May 1 and October 31. Canisters may be rented or purchased at outdoor shops in surrounding communities. Pack out all garbage.

Toward a Greener Park
Recycling Available in Major Park Locations

Glass, plastic #1 and #2, and aluminum may be recycled in park campgrounds and at major park locations. Look for our distinctive recycling containers or ask at any visitor center or campground for their locations.

The park is actively engaged in green practices, including using hybrid/alternative fueled vehicles, a bicycle for mail delivery, low-wattage compact fluorescent lights bulbs, and active recycling of office materials. The picnic and restroom facilities at Hidden Valley were constructed using recycled lumber and materials. All new construction and rehabilitation projects are designed using energy-efficient LEED standards. Recycle containers are available throughout the park. Help us reduce the use of plastic water bottles! There is limited potable drinking water in the park. Please remember to bring your own reusable water containers and refill them at park visitor centers.

Pack out all garbage.

<tbody>
<tr>
<td>Onahu Creek/Green Mountain Loop</td>
<td>Onahu Creek Trailhead or Green Mt. Trailhead in Kawuneeche Valley</td>
<td>7.6 miles</td>
<td>1100 feet</td>
<td>Excellent loop trail through quiet forest and meadow, along flowing mountain creeks.</td>
</tr>
<tr>
<td>Granite Falls</td>
<td>Green Mountain Trailhead in Kawuneeche Valley</td>
<td>10.4 miles</td>
<td>1406 feet</td>
<td>Quiet forest and flowing mountain waters await. A longer loop (13.6 miles) is possible, coming out on the Onahu Creek Trail.</td>
</tr>
<tr>
<td>Timber Lake</td>
<td>Timber Lake Trailhead in Kawuneeche Valley</td>
<td>10.6 miles</td>
<td>2060 feet</td>
<td>Lots of elevation gain on hike to a beautiful backcountry lake.</td>
</tr>
<tr>
<td>Lulu City</td>
<td>Colorado River Trailhead, north of Timber Creek Campground</td>
<td>7.4 miles</td>
<td>350 feet</td>
<td>A gentle trail to an historic site. A longer return loop is via the Grand Ditch to Red Mountain Trail.</td>
</tr>
<tr>
<td>Little Yellowstone Canyon</td>
<td>Colorado River Trailhead, north of Timber Creek Campground</td>
<td>9 miles</td>
<td>990 feet</td>
<td>An extension of the Lulu City hike, deeper into park wilderness.</td>
</tr>
<tr>
<td>Red Mountain</td>
<td>Colorado River Trailhead, north of Timber Creek Campground</td>
<td>11 miles</td>
<td>2565 feet</td>
<td>A steep trail featuring some great views of mountains and valleys in the park.</td>
</tr>
<tr>
<td>Lone Pine Lake</td>
<td>East Inlet, on the far east end of Grand Lake</td>
<td>11 miles</td>
<td>1494 feet</td>
<td>A longer hike near Grand Lake to a high lake. The trail continues beyond to other lakes.</td>
</tr>
<tr>
<td>Cascade Falls</td>
<td>North Inlet Trail off Tunnel Road in Grand Lake</td>
<td>6.8 miles</td>
<td>300 feet</td>
<td>A relatively level walk to Cascade Falls.</td>
</tr>
<tr>
<td>Shadow Mountain Lookout</td>
<td>East side of Shadow Mountain Lake, just south of Grand Lake</td>
<td>9.4 miles</td>
<td>1533 feet</td>
<td>Steep hike to an historic fire lookout with spectacular views.</td>
</tr>
<tr>
<td>East Shore Trail</td>
<td>East side of Shadow Mountain Lake, just south of Grand Lake</td>
<td>5.2 miles</td>
<td>100 feet</td>
<td>2.6 miles to Green Ridge Campground; a side loop trail to Ranger Meadows reconnects with main trail, adding 1.4 miles.</td>
</tr>

Resources and More

Tell Me More About the Fences

Research has shown that the elk herd in Rocky Mountain National Park and the Estes Valley, is larger, less migratory and more concentrated than it would be under natural conditions. As a result, willow and aspen stands were declining, depriving other wildlife of the important habitat they need. Fences are one of the many tools we are using in the implementation of the park’s Elk and Vegetation Management Plan.

Each fall since 2008, we have installed exclosure fences on elk winter range in the Moraine Park, Beaver Meadows, and Horseshoe Park areas. These exclosures are protecting important riparian willow and aspen habitat from elk browsing.

Pine Beetle Epidemic From Canada to Mexico

Bark beetles are native insects that have shaped the forests of North America for thousands of years. Bark beetles range from Canada to Mexico and can be found at elevations from sea level to 11,000 feet. Rocky Mountain National Park is just one relatively small area where trees are dying from the beetle epidemic. Because the task is enormous, the park’s priorities for mitigation of the effects of beetles are focused on removing hazard trees and hazard fuels related to the protection of life and property.

There is no effective means of controlling a large beetle outbreak in such a vast area as the park’s backcountry, which comprises about 95% of the park. Therefore, in the backcountry, bark beetle populations are allowed to fluctuate under natural processes with some limited mitigation work occurring around designated backcountry campsites.

Stop by a visitor center to learn more about these issues, or visit http://www.nps.gov/romo/index.htm
Using Rocky Mountain National Park’s free shuttle bus service enables you to access many destinations and loop hikes along the Bear Lake corridor, while enjoying the beautiful scenery without the distraction and hassle of traffic congestion and limited parking.

**Bear Lake Shuttle**
June 11–October 2: buses operate daily between Park & Ride and Bear Lake, leaving Park & Ride every 10-15 minutes from 7 a.m. to 7 p.m.

The Bear Lake Route is based at the Park & Ride shuttle bus parking area across from the Glacier Basin Campground.

**Moraine Park Shuttle**
June 11–October 2: buses operate daily between Park & Ride and Fern Lake Bus Stop, leaving Park & Ride every 30 minutes from 7 a.m. to 7 p.m.

The Moraine Park Route is based at the Park & Ride shuttle bus parking area across from the Glacier Basin Campground.

**Hiker Shuttle**
June 25–September 5, plus weekends through October 2. Buses operate daily between Estes Park Visitors Centers and Park & Ride on an hourly schedule from 6:30 a.m. to 7:30 p.m. and a half-hour schedule between 10 a.m. & 6 p.m.

The only stop on this express route is Beaver Meadows Visitor Center.

**Park & Ride**
Features parking, toilets, helpful staff, and serves as a transfer point between the Bear Lake & Moraine Park Shuttles. Water is not available; bring a bottle of water with you.

Cost is $27 per adult, $13 for children 16 and under, payable with a credit card. Children not occupying a seat are free. Park staff will be on board to describe the history and wonders of the highest continuous paved road in the U.S. Tour stops include Rainbow Curve, Forest Canyon Overlook and Alpine Visitor Center.

**Five-hour interpretive bus tour of Trail Ridge Road. Tours are offered on Tuesdays and Wednesdays, June 21 - September 7. The tour leaves the Estes Park Visitor Center at 9:45 a.m. and the Beaver Meadows Visitor Center in the park at 10 a.m. and arrives back at 3 p.m. Reservations are required by calling (970) 577-7477.**
