Welcome to Whiskeytown!

Whiskeytown celebrates its 49th birthday this year, and the phrase “Take me to Whiskeytown” can still be heard across northern California and beyond! Whiskeytown Lake’s cool and clear water draw people seeking relief from the summer heat. Diving into Whiskeytown Lake on a hot day is one of my favorite summertime experiences.

Spring fed creeks run year-round across large and picturesque granite boulders under the shade of old growth black oak, ponderosa pine and dogwoods. Kayaks glide across the water in a leisurely fashion complemented with the good conversations with family and friends. Ski boats towing wake boarders and tubers leave white wakes and fading laughs of children’s voices as they pass by offshore. The lake has a fifty-year history of being one of the best inland sailing destinations and this Memorial Day weekend the Whiskeytown Sailing Club will host the 50th Memorial Day Regatta. Beyond Whiskeytown Lake itself, there are numerous trails that lead visitors to each of the park’s four inviting waterfalls, along the shores of the lake and deep into forests within the Crystal Creek, Brandy Creek and Mill Creek watersheds.

Mountain lion, black bear and bald eagles are commonly seen throughout the park. Rustic campgrounds offer visitors an opportunity to view the same stars as the area’s first residents did thousands of years ago, while providing visitors a convenient base of operations to explore many of the park’s diverse attractions. Be sure to sign up for a free Ranger Guided Kayak Tour!

Family memories have been created at Whiskeytown National Recreation Area for half a century. My wife and children have enjoyed the beaches and trails of Whiskeytown for many years. Sailing or kayaking across Whiskeytown Lake under a full moon is as spectacular an experience as can be found in any of our country’s diverse national parks. No greater intangible wealth can be found than having happy memories to share with friends and family. Explore and enjoy the beauty of Whiskeytown National Recreation Area and consider “Taking a Friend to Whiskeytown!”

Jim Milestone
Superintendent

Your Fee Dollars at Work

ALL VEHICLES PARKED AT WHISKEYTOWN REQUIRE A VALID ENTRANCE PASS. BY PURCHASING A PASS, you are directly contributing to maintaining and improving park programs and facilities. Park staff have been busy using revenue from pass sales to complete deferred maintenance projects and make upgrades to improve your park experience.

Recently completed projects include: dock improvements and renovations at Brandy Creek; developing paved ADA trails; campground renovations at Brandy Creek, Crystal Creek, Horse Camp, Peltier Bridge and Sheep Camp; road and trail maintenance; renovations and accessibility improvements to Oak Bottom and Whiskey Creek boat launch restrooms, sidewalks and much more.

An equally impressive list of projects is planned for next year to ensure that Whiskeytown continues to have quality facilities and experiences for everyone who visits. Keep an eye out for the “Fee Dollars at Work” signs all around the park to see the projects supported by entrance fees. Whiskeytown National Recreation Area is such an amazing公园 thanks to the generosity and support of its visitors and partners.

2-3 Things you need to know

This compilation of essential park information is based on questions frequently asked by visitors and organized alphabetically to help you quickly find what you are looking for.

4-5 Camping and trail information

If you are planning an outdoor adventure, flip to page 4 for a complete listing of the park’s extensive trail system and campgrounds that includes essential information for each. A map will orient you to the park.

6 What can I do in the time I have?

Not sure what to do during your park visit? Turn to page 6 for a helpful guide that will help you in planning your recreational activities according to the time you have, as well as activities for the different seasons.

8 Ranger-led programs

Whiskeytown offers a variety of FREE Ranger-led Programs during the summer season. These programs are fun and family-friendly. A program schedule and description is found on page 8.

The Friends of Whiskeytown (FOW) is a non-profit organization dedicated to helping the National Park Service restore and enhance the magnificent resources and recreational opportunities at Whiskeytown. FOW have been instrumental in providing support for park projects and programs over the years, including: the hiring of a Student Conservation Association trail crew to build and maintain trails, constructing a new foot bridge over Crystal Creek on the Whiskeytown Falls trail, Whiskeytown’s Artist-in-Residence Program, the annual Volunteer-In-Parks Program recognition event, the Old Time Holiday at the Camden House and Whiskeytown’s Annual Harvest Festival.

If you would like to join and support FOW, your contribution of $25.00 or more will help the park complete projects that would otherwise be unfunded.

Don’t forget to mark your calendar for the 5th annual Brandy Creek Beach Luau on Saturday, June 21, 2014. This fun event is a fundraiser for the FOW and will feature a luau dinner, Hawaiian entertainment, and a silent auction. For further information, call (530) 242-3460 or visit www.friendsofwhiskeytown.org
The National Park Service Mission
The National Park Service preserves unimpaired the natural and cultural resources and values of the national park system for the enjoyment, education, and inspiration of this and future generations. The Park Service cooperates with partners to extend the benefits of natural and cultural resource conservation and outdoor recreation throughout this country and the world.

Whiskeytown National Recreation Area
Whiskeytown Lake was created as part of the Central Valley Project to provide water for agricultural, municipal, and industrial use, as well as for the maintenance of fish and wildlife habitat. In addition, Whiskeytown Lake has two hydroelectric power generation stations, and the earthen dam provides flood control downstream of its location. The dam was completed in early February 1963, and dedicated by President John F. Kennedy on September 28, 1963.

The 3,200-acre reservoir and 38,000 acres of surrounding habitat became Whiskeytown National Recreation Area in 1965. Within its boundaries, the park preserves and protects an incredible diversity of flora and fauna, as well as the cultural history of the Winni Native Americans and the California Gold Rush. The park also provides a wide variety of year-round recreation opportunities for over 800,000 annual visitors.

Accessiblity
Park headquarters, restrooms, and the visitor center are ADA accessible, as well as the Native Plant Garden located directly behind the visitor center. The park has two newly constructed ADA accessible trails: the Crystal Creek Falls Trail, which is paved, and the section of the Guardian Rock Trail from Horse Camp leading to the spectacular Guardian Rock Vista Point. In addition, two accessible picnic sites are available at Oak Bottom and Brandy Creek beaches. Accessible fishing piers are located at Whiskey Creek Picnic Area and at Oak Bottom Marina near the amphitheater.

Amenities
Some food items and essential camping supplies can be purchased at the Oak Bottom Campground Store, which is open from 8:00 am to 4:00 pm during the winter and until 6:00 pm in the summer. The store can be reached by calling (530) 359-2269. Lodging is not available in the park. The nearest hotels are in Redding, eight miles east of the park. The Oak Bottom Marina is open for limited hours during the winter and from 8:00 am until 8:00 pm during the summer. Fishing bait, tackle, and life jackets are all available for purchase at the marina store. Snack bars are located at both Brandy Creek and Oak Bottom beaches. They are open during the summer and sell a variety of food, cold drinks, sun block, water toys, and swim diapers. For vehicles, the closest fuel is in Redding. Motorboat fuel can be purchased at the Oak Bottom Marina.

Bicycling
Bicycles are permitted on all trails except the Camden Water Ditch, Shasta Divide, Davis Gulch, and Crystal Creek Water Ditch trails. Mountain biking trail information is available at the visitor center. Helmets, gloves, and eye protection are recommended for all riders. Maintain a safe speed of 15 mph for road and trail conditions and stay within your level of riding experience. Cyclists must obey all traffic regulations. Hikers and equestrians always have the right-of-way.

Boating
There are no boat launching fees at Whiskeytown Lake, but visitors must display a Day Use Pass or other valid entrance pass (see “Fees/passes”). There are boat launches at Brandy Creek Marina, Oak Bottom, and Whiskey Creek. Oak Bottom Marina rents a variety of motorboats. Single and double kayak rentals are available at both Oak Bottom and Brandy Creek Beach. Please call (530) 359-2671 or visit www.whiskeytownmarinas.com. Motor boats with two and four-stroke engines are allowed on Whiskeytown Lake and must observe posted no-wake areas. Boats cannot exceed 36 feet in length. Occupied vessels can remain on the water overnight provided they move at least one-half linear mile each hour. Overnight camping on boats is prohibited. For your safety and the safety of others, please be aware of other lake users.

Federal law permits people who can legally possess firearms under federal and State of California laws to possess firearms in the park. It is the visitor’s responsibility to understand and comply with all applicable state and federal firearms laws. Firearms are prohibited in most federal buildings in the park, including the visitor center and park headquarters. Firearms may only be used in the park during hunting seasons in authorized areas, and pursuant to the lawful taking of game species in compliance with California laws and regulations.

Fees/Passes
The entrance fee for the park is $5 per vehicle for a Day Use Pass. A weekly pass can be purchased for $10, and the Whiskeytown annual pass costs $25. In addition, the annual pass from Lassen Volcanic National Park, the Interagency Annual Pass, Senior Pass, Access Pass, and the Golden Age or Access Passports are all honored at Whiskeytown. All passes must be displayed on the driver’s side of the dashboard whenever a vehicle is parked within the park boundary. A pass is not required while visiting the Whiskeytown Cemetery. Fee free days in 2014 are April 19-20, Aug. 25, Sept. 27, and Nov. 1. You do not need a pass on these dates.

Firearms
Campfires are only permitted in the established fire grates at picnic areas and campgrounds. Fires must never be left unattended and must be properly extinguished upon departure. Dead wood may only be collected from the ground for personal use while in the park. Collecting live vegetation or standing dead wood is prohibited. The use of self-contained barbecues, gas, and charcoal, is permitted as long as they are attended at all times and properly extinguished.

Fishing
Although fishing is allowed year-round in the lake, however, the streams feeding Whiskeytown can only be fished from the last Saturday in April through November 15. The nearest location to purchase a fishing license is Tops Fresh Market, six miles east of the visitor center.
Gold panning

Recreational gold panning is permitted in the park. A valid annual gold panning permit is required for all persons 17 and older. Gold panning regulations, as well as the $1 annual permit, can be obtained at the visitor center.

Hiking

Hiking can be enjoyed year-round at Whiskeytown. With over seventy miles of trails in the park, most of which can be ridden by mountain bikers and equestrians, there is something for every ability level and interest (please see page 4 for trail information). Be prepared for changing conditions while enjoying the park’s backcountry — make sure to carry an adequate amount of water for each person. Summer daytime temperatures often exceed 100°F.

Horses & pack animals

Horses, burros, mules, and camels may be used on designated multi-use trails in the park. Horse Camp primitive campground is accessible to vehicles towing horse trailers and is the only location in the park where camping with horses is allowed. There are two sites available and a potable water spigot.

Lost and found

Lost and found items can be reported, turned in, or claimed at the visitor center.

Mines

Old mine workings in the park are dangerous and unstable. When crossing country, be on the lookout for uncovered mining shafts. Stay out, and stay alive!

Noise levels

In order to keep natural soundscapes free from loud human-source noises, the following regulations apply: a vesperIDEOS of a dishwasher or vacuum cleaner) and other noise levels from motorized equipment or electronic devices are considered to exceed 50 decibels (conversational level) from a distance of 50 feet. In addition, noises below these established levels are prohibited if they disturb the possession and use of a park visitor’s property. For more information, please contact the Chief Ranger at (530) 242-3413.

Special Use Permits

Special events such as weddings, sporting events, and commercial filming are permissible by obtaining a Special Use Permit. Activities must be approved and have a minimal impact on other park visitors. Applications and information are available on the park website. For more information, please contact the Chief Ranger at (530) 242-3413.

Shoewing the park

With the exception of Special Use Permits and the areas that can be legally reserved, no visitor or group of visitors can have or claim exclusive use rights of any area in the park, including the islands, shoreline, and coves of the lake. Please help us provide for the enjoyment of all visitors by sharing the park.

Shoosers

Hot showers are available in the restroom at Oak Bottom Beach for a small fee. Free, cold outdoor showers are available during the summer months at Oak Bottom and Brandy Creek beaches.

Smoking

To protect the health of park visitors, smoking is prohibited on the park’s four designated swim beaches: Brandy Creek, Oak Bottom, East Beach, and Whiskey Creek Group Picnic Area. Whiskeytown National Recreation Area is federal land; the possession and use of marijuana is prohibited, even with a valid California Proposition 215 card.

Trash

Please pack out all trash when hiking and dispose of it in a responsible manner. There are recycling facilities at the park visitor center, many parking areas, and the park’s designated swim beaches.

Vehicles

Motorists must obey all posted speed limits. Vehicles are only allowed on designated roadways. Be alert for pedestrians, bicyclists, and wildlife on the roadways. Use special care while driving at dawn and dusk when wildlife is most active. State and federal vehicle laws apply within the park. Make sure to display your valid park pass on your vehicle’s driver-side dashboard white parked.

Water

Potable water is available at the following locations: the visitor center, Brandy Creek Beach, Marina, and RV Campground; Oak Bottom Beach, Marina, Amphitheater, Tent and RV Campground, Horse Camp, and Whiskey Creek Boathouse. Water from any natural source should be purified.

Wildlife

Please do your part to keep the park’s wildlife wild. Do not feed or harass wildlife. Enjoy all animals from a safe distance and try not to disturb their natural behaviors. Use the bear-proof storage lockers for all scented items and never leave food unattended!

### Archaeology in the Park

Do Your Part and be a part of Leave no Trace

Whiskeytown’s landscape reflects the stories of how diverse groups of people have utilized the area’s resources through time. While you are out hiking, swimming, camping or bike riding you may come across an object that may have cultural or historical significance.

To preserve the park’s history, we ask that you please leave any cultural or historical artifacts where you found them. Write down a description of the location of the object or take a picture and please contact the park archaeologist, Danica Willis at (530) 242-3438. Additionally, let her know if you would like to be contacted about the object’s significance or if you would like to volunteer and assist in investigating and preserving the parks cultural and historical resources.

Remember that removing, altering, or destroying cultural artifacts in a National Park is a federal offense and could result in fines or jail time. Possession or use of a mineral or metal detector is also prohibited.
What Can I Do in the Time I Have?

Hours: minutes

0:10  Come inside the visitor center and learn about the history of Whiskeytown’s Native Americans and the California Gold Rush through the various exhibits.

0:15  Visit the President John F. Kennedy Memorial and press the button to hear his inspiring speech from the Whiskeytown Dam dedication on September 28, 1963.

0:20  Choose a place in the park with an unobstructed view of the sky and enjoy stargazing under Whiskeytown’s clear night skies. The best time to star gaze is on the new moon or anytime between the Waning Crescent and Waxing Crescent Moon Phases (see “Sun and Moon” on page 3 for more information).

Half an hour

0:30  Take a short walk (0.3 miles) to Crystal Creek Falls and enjoy your lunch at the picnic site.

0:45  Pan for gold along Clear Creek (see “Gold panning” on page 3 for more information).

1:00  Take a walk through time and visit the Tower House Historic District. Explore the 150 year-old fruit trees, and stamp mill at the El Dorado Mine.

1:15  Visit the Whiskeytown Falls or Brandy Creek Falls, or hike the Mount Shasta Mine Loop Trail.

1:30  Hike the Papoose Pass Trail from Sheep Camp to Boulder Creek Falls and back.

1:45  Hike to Whiskeytown Falls or Brandy Creek Falls, or hike the Mount Shasta Mine Loop Trail.

Two hours

2:00  Hike to Boulder Creek Falls via the Mill Creek Rd Trailhead.

2:30  Hike the Peltier Trail and enjoy a beautiful unnamed waterfall on Paige Boulder Creek.

3:00  Hike to Whiskeytown Falls or Brandy Creek Falls, or hike the Mount Shasta Mine Loop Trail.

3:30  Hike to the Whiskeytown Marina and enjoy the lake for the day.

Half a day

4:00  Rent a kayak, canoe, or motorboat at Oak Bottom Marina and enjoy the cool blue waters of Whiskeytown Lake for the day.

5:00  Hike the Papoose Pass Trail from Sheep Camp to Boulder Creek Falls and back.

6:00  Beat the summer heat by taking a hike to the waterfall to bask in the shade and cool mist, or swim in the pools below the cascading waters. Drive (4WD vehicles only) to the waterfall and use caution as the trails can be slippery. Hike any of the park trails to experience the incredible bloom of wildflowers. Great trails for spring wildflower viewing are the Mill, Shasta Mine Loop, Davis Gulch, Guardian Rock, Lower Brandy Creek, and Boulder Creek trails. Spring is a great time for birding, Patience, stillness, and quiet observation will allow you to see the most bird activity. In April, take your family and friends to the park for Waterfall Week, Whiskeytown’s annual celebration of National Park Week.

A park for all seasons

Spring

Take a hike to the park’s four waterfalls to see them during peak flow as the mountain snowpack begins to melt. Use caution as the trails can be slippery. Hike any of the park trails to experience the incredible bloom of wildflowers. Great trails for spring wildflower viewing are the Mill, Shasta Mine Loop, Davis Gulch, Guardian Rock, Lower Brandy Creek, and Boulder Creek trails. Spring is a great time for birding. Patience, stillness, and quiet observation will allow you to see the most bird activity. In April, take your family and friends to the park for Waterfall Week, Whiskeytown’s annual celebration of National Park Week.

Summer

Join an ranger-led program for a fun-filled and educational park experience (see page 8). Take a swim in the cool waters of the lake at Brandy Creek Beach and have a picnic while you are there. Beat the summer heat by taking a hike to the waterfall to bask in the shade and cool mist, or swim in the pools below the cascading waters. Drive (4WD vehicles only) to the waterfall and use caution as the trails can be slippery. Hike any of the park trails to experience the incredible bloom of wildflowers. Great trails for spring wildflower viewing are the Mill, Shasta Mine Loop, Davis Gulch, Guardian Rock, Lower Brandy Creek, and Boulder Creek trails. Spring is a great time for birding, Patience, stillness, and quiet observation will allow you to see the most bird activity. In April, take your family and friends to the park for Waterfall Week, Whiskeytown’s annual celebration of National Park Week.

Fall

Take a hike along the Clear Creek Vista, Mill Creek, Brandy Creek, or Boulder Creek trails to view the brilliant fall colors of big leaf maple, Pacific dogwood and California black oak. Hiking, horseback riding, and biking are very enjoyable during the fall as temperatures cool and the buzz of summer activity fades. Fall is also the start of hunting season, so be aware of possible hunting activity while in the park’s backcountry. Support your park by joining us on Saturday, September 27, 2014 for Pick-Up Lake Latter Day, Whiskeytown’s annual volunteer event celebrating National Public Lands Day. In addition, keep an eye out for the date of Whiskeytown’s 4th Annual Harvest Festival in the historic orchards.

Winter

Join us at the Camden House within the park’s Tower House Historic District for the annual “Old Time Holiday” celebration and free wreath-making workshop on Saturday, December 6, 2014. Hike along the Brandy Creek, Mill Creek, or Boulder Creek trails to witness the crimson glory of massive gatherings of lady beetle beetles numbering in the thousands as they enter a period of dormancy to conserve energy in the colder months. Bring your binoculars to the quiet coves around the lake to enjoy the waterfowl that congregate on Whiskeytown Lake during the winter migration. Species commonly seen are Canada geese, mallards, buffaloes, common and hooded mergansers, ruddy ducks, and ring-necked ducks. Watch for bald eagles as well.

Walk by the wayside exhibits outside the Visitor Center and enjoy the scenic views.

Take a walk along the ADA accessible trail through the California native plant garden located behind the visitor center.

From the visitor center parking lot, enjoy a leisurely stroll down the Shasta Divide Nature Trail to the shores of Whiskeytown Lake.

From Horse Camp, walk the ADA accessible portion of the Guardian Rock Trail to the beautiful vista point overlooking Lower Clear Creek Canyon.

Take a short walk (0.3 miles) to Crystal Creek Falls and enjoy your lunch at the picnic site.

Pan for gold along Clear Creek (see “Gold panning” on page 3 for more information).

Grab your mountain bike and enjoy a ride on more than 70 miles of park trails. There are trails for every skill level and interest. Information is available at the visitor center.

Spend the afternoon at Brandy Creek and enjoy a picnic on the beach or in one of the many shaded picnic sites near the creek.

Become a Junior Ranger and Junior Firefighter by attending both programs and learn how to preserve and protect the park resources.

Explore the newly re-routed Kanaka Peak Trail and enjoy the spectacular views from the summit.

For a physically rewarding day, you can complete the Whiskeytown Waterfall Challenge (see page 5) in one day by hiking to all four of the park’s waterfalls.

What Can I Do in the Time I Have?
Backcountry Safety Matters!

Poison oak is very common in the park, as is exposure to the plant's toxic oils. Leaves of Poison oak is very common in the park, as is exposure to the plant's toxic oils. Leaves of Poison oak are shiny, toothed and alternate. The flowers are red and are found on the end of a stalk. The fruit is a burr with sharp spines. Be aware of some potential dangers and how to avoid them. Weather conditions can change rapidly, so be adequately prepared for your backcountry adventure by bringing extra layers of clothing, food, and plenty of water for each person, especially in the summer when temperatures can exceed 100°F. Be alert for wildlife and maintain a safe distance. If you encounter a bear or a mountain lion, try to scare it away by shouting, waving your hands, and throwing sticks or rocks. Never leave food unattended and make sure to hang your food or use a bear canister if backpacking. Poison oak is found throughout the park. Look at the photo above (top left) to identify the plant and stay on the trails to avoid it. The plant drops its oily leaves in winter, but the dormant stems of the plant are still toxic to your skin and can cause an itchy and painful rash. Rattlesnakes (above center) are commonly found in the park during the warmer months. Avoid them by staying on established trails.

You should also be on the lookout for suspicious and illegal activities. On public lands throughout California, drug trafficking organizations are establishing illegal marijuana cultivation sites, which include Whiskeytown’s backcountry. Law enforcement rangers are actively pursuing and eradicate these sites. While visiting the park be on the lookout for the following clues:

- Vehicles carrying agricultural supplies such as irrigation hose, fertilizer and/or pesticides
- People carrying firearms outside of hunting season; illegal cultivators are often armed

For the safety of you and your family, if you observe any of these clues, or anything else out of the ordinary, leave the area immediately! Report suspected illegal activity to Whiskeytown dispatch at (530) 242-1471 or by calling 911 in an emergency. Timely reporting of information is essential for your safety and for park investigations.

Your safety greatly increases when you stay on official trails and bike or ride with others.

Western rattlesnakes are common in the park. Snakes should never be handled and their beauty should be enjoyed at a safe distance.

The Uninvited Guests

NON-NATIVE PLANTS ARE THOSE THAT OCCUR OUTSIDE THEIR NATIVE RANGE AS A RESULT OF actions by humans. Non-native and invasive plants are those which spread rapidly into surrounding ecosystems. Since these species do not have natural competitors or predators to keep them in check, they can easily displace native species (including rare and endangered species), increase the intensity and frequency of wildfires, degrade wildlife habitat, reduce water availability, and diminish visitor experience.

Many of Whiskeytown’s visitors trek through weed-infested lands on their way to the park—unintentionally bringing invasive plants in on socks, shoelaces, tires, backpacks and pet fur. Keeping Whiskeytown’s backcountry free of exotic plants is a monumental challenge that requires park staff and visitors to do their best in preventing the introduction and spread of non-native and invasive plant species.

Please help!

- Inspect your clothes, gear, tent, boats, boot, and vehicle for hitch-hiking seeds and brush vegetation and seeds from your pet’s fur
- Please ensure that all seeds are safely disposed of in the trash
- Stay on established trails
- Learn more about invasive plants and spread the word about non-native plant invasions

Leave No Trace

Please do your part to preserve and protect the park for the enjoyment of present and future generations by following the seven principles of Leave No Trace:

1. Plan ahead and prepare
2. Travel and camp on durable surfaces
3. Dispose of waste properly “pack it in, pack it out”
4. Leave what you find
5. Build fires in established fire grates only
6. Respect wildlife
7. Be considerate of other visitors

Lifejackets Save Lives

DID YOU KNOW THAT LIFEGUARDS AT BRANDY CREEK BEACH PERFORM BETWEEN 25-40 swimmer assists or near drowning rescues each summer season? That accounts for nearly one rescue for every thousand beach visitors. In 2012, the U.S. recorded 651 deaths while boating and in 71% of those deaths, the victims were not wearing their lifejackets! By simply wearing a lifejacket while boating, your chances for survival are tremendously increased. At Whiskeytown Lake, don’t let yourself or one of your family members become the “one out of a thousand” that need rescue. To safeguard you and your family around water, follow these simple suggestions:

- Always supervise your children
- Avoid alcohol
- Wear a properly fitted US Coast Guard approved lifejacket
- Take swimming lessons
- Learn CPR

Through a generous contribution from The Friends of Whiskeytown, the lifeguards at Brandy Creek Beach have a free lifejacket loan program from Memorial Day through Labor Day. They have a variety of sizes ranging from infant through adult. Check out the jackets at 10:00 am and return them by 5:30 pm. Keep yourself and your family safe and remember to be smart around water! For more information on water safety please visit www.USCGboating.org or www.safeboatingcouncil.org.

Preserve Whiskeytown’s Waters!

Quagga and zebra mussels are two exotic species of bivalve that have caused ecological and economic havoc in many areas of North America. Both mussels can be inadvertently spread by contaminated boats and trailer wheels from one water body to another. Any time you remove your vessel (motorized and non-motorized) from the water, please do the following:

- Drain all water and dry all areas including the outboard unit and all live-wells.
- Inspect all exposed surfaces using soap and water and hands—small mussels feel like sandpaper to the touch and may not be visible.
- Remove all plant and animal material
- Wash the hull of each watercraft thoroughly
- “Clean, drain, and dry” to stop the spread!

For more information visit: 100thmeridian.org or www.dfg.ca.gov
Join us for a Free Ranger-led Program!

Free ranger-led programs begin in mid-June and are offered through Labor Day weekend. Please call the visitor center at (530) 246-1225, or visit the park website at www.nps.gov/whis for the latest information on park programs and special events.

**Junior Ranger**
Saturdays at 10:00 am (1 hour)
Children along with their parents can learn about preserving and protecting park resources while making new friends during a special one-hour activity that explores the wonders of Whiskeytown. Meet at the Oak Bottom Amphitheater. Ask the ranger about earning your Whiskeytown Junior Ranger badge and patch.

**Junior Firefighter**
Saturdays at 11:00 am (1 hour)
Join Whiskeytown NPS firefighters to learn how they manage fire to promote forest health and protect lives and property. Children will learn about the important role that fires play in the ecosystems of our national parks during this hands-on activity. Children who complete the program will earn a Junior Firefighter Badge. Meet at the Oak Bottom Amphitheater. Ask the ranger about earning your Junior Firefighter Badge.

**Junior Ranger Kayak Program**
Mondays and Thursdays at 1:30 pm (1.5 hours)
Join us for a special program that pairs parents and their children in kayaks so they can discover and share the joy of nature with each other as they paddle and play. The Monday program is geared for children three to six years of age, and the Thursday program is geared toward children seven to twelve years old. Please call (530) 242-3462 to make a reservation.

**Walk In Time**
Wednesdays and Saturdays at 3:00 pm (2 hours)
Discover how pioneers/prospectors Charles Camden and Levi Tower reshaped the landscape to create a home for their families and an “oasis” for many travelers during and after the California Gold Rush. Visit the historic orchard and find apple trees over 150 years old that still bear fruit! After a tour of the Camden house, enjoy a leisurely stroll through the area, then try your hand at finding gold the old-fashioned way—with a gold pan in the creek! Meet the ranger at the Tower House Historic District parking lot bulletin board.

**Kayak Program**
Daily tours at 9:30 am and 5:30 pm are offered on Sun., through Sat. except Fri. (2 ½ hours)
Hop on a tandem kayak with a friend and explore the quiet coves around Whiskeytown Lake while you learn more about the natural and cultural values of the park. Children must be at least six years old. Reservations are up to two weeks in advance, call (530) 242-3462.

**Moonlight Kayak Program**
July 7-11 at 8:00 pm, August 5-9 at 7:30 pm, and September 5-7 at 7:00 pm (2 ½ hours)
Experience dramatic changes in the landscape as you explore Whiskeytown Lake under the light of the moon. Reservations slots fill up fast for this program, calling (530) 242-3462 in the morning two weeks in advance will give the best opportunity of securing a slot.

**Special Access Kayak Program**
Friday evenings during July and August (2 hours)
This program has been developed for individuals with special needs so they can enjoy a kayaking adventure. Volunteers who have limited mobility, disabilities, developmental issues, or restrictions due to age or illness are encouraged to give kayaking a try. Volunteers with special needs are paired with an experienced kayak volunteer. Please call (530) 242-3421 for more information.

**Evening Astronomy Program**
Friday evenings at 9:00 pm (1 hour)
During August and September, start time is at 8:30 pm
Spend the evening with a Sky Ranger and discover the stories of how ancient cultures used the sky to navigate and mark important seasonal changes. Learn about the challenges we face today as urban light pollution threatens the dark sky and find out what you can do to help. After a 20 minute presentation, the Shasta Astronomy Club will share their powerful telescopes to assist visitors with their celestial gazing. Meet at the Oak Bottom Amphitheater for the first half of the program and the second half at the Oak Bottom Beach parking lot.

---

**Star Party**
Saturday 8:00 pm to 11:00 pm on 5/11, 6/7, 7/12, 8/2, and 9/6 (weather permitting). For up to date information call the visitor center (530) 246-1225 or visit park web site www.shastaastronomyclub.com
Experience the splendor of the dark night sky! Because of its unique position nestled within mountain ranges, Whiskeytown is a great place to explore the heavens. The night constellations often elude urban dwellers, but at Whiskeytown, visitors are able to see deep into space aided by powerful telescopes provided by the passionate and knowledgeable Shasta Astronomy Club. NPS Sky Rangers provide engaging activities and share epic tales of heroes and demigods immortalized in the constellations. Take Page Bar Road and meet at the Mount Shasta Mine Loop Trail parking lot.

**Perseid Meteor Shower Special Event**
Sunday evening, August 10, 2014
Brandy Creek parking lot B, start time is after sunset
Whiskeytown, in partnership with the Shasta Astronomy club, will be holding a special star party for the Perseid Meteor Shower. These very knowledgeable and passionate amateur astronomers will be providing powerful telescopes to view what is considered to be the most brilliant meteor shower of the year. The lights will be turned off to minimize light pollution and the beach will remain open for the event. Visitors are encouraged to bring red light flashlights, lounge chairs, food, drinks and extra clothing for the nighttime star party. Meet at Brandy Creek Beach Lot B.
