STATEMENT OF SIGNIFICANCE:

Date of Construction: / /1934 Date of Alterations: / /
Architect/Designer: Historical Theme(s): NPS rustic
History of Structure: The East Entrance Checking Station was constructed in 1935 at a cost of $1,000. It was built by enrollees from CCC Camp NP-2, stationed at Zion, of rock quarried at the Zion Stone Quarry. It has served as the entrance station since the Park Service first developed the East Entrance, four years after the completion of the Zion-Mt. Carmel Highway.

Evaluation of Structure: Historic Theme Contributing X Non-Contributing __
National Register Criteria: A B C X D (Include integrity statement)
The station retains its original appearance and character, fabric, and construction, all typical of NPS-Rustic buildings at Zion.
