SEE A LAUNCH

Witness Liftoff – With rocket launches happening now more than ever, you may be able to experience one during your visit. Watching a launch from the visitor complex means up-close viewing, live commentary, bleacher seating and access to our attractions and exhibits.

Get the latest information on launch dates and times on our website and our official app.

THE OFFICIAL APP

Kennedy Space Center Guide – Plan your day, way-find with a digital map and view today's events all on the Kennedy Space Center Guide app. Download it for free on Google Play or the App Store.

UPGRADE TO AN ANNUAL PASS

Individual and family pass options

- **Unlimited** admission for one year
- **Save** on additional visitor complex admissions and education programs
- **Gain access** to exclusive events when you provide an email address

Visit Guest Services to apply today's ticket purchase to the cost of your annual pass!

THE VIRTUAL TOUR APP

KSC SmartGuide – Create your own customized multimedia tour from your smartphone. The KSC Smartguide is available in multiple languages including American Sign Language. Download for free from the App Store and Google Play.

DID YOU KNOW?

Your visit today makes it possible for this visitor complex to exist without U.S. tax dollars. Kennedy Space Center Visitor Complex is maintained and operated for NASA by Delaware North, and is entirely visitor funded.

INFORMATION & RESOURCES

Information: Located at the front entrance. Multilingual staff available to help plan your day. Strollers, electric scooters, and wheelchairs available for a nominal fee.

First Aid: Nurse on duty. Check map for location.

Lost Child: See any Crewmember or Information for assistance.

Cashless: The visitor complex is a cashless operation. For your convenience, cash-to-card kiosks are available to obtain a reusable MasterCard debit card.

Lost and Found: Please visit Information or call **321.449.4223** to inquire about lost items.

Wheelchair-Accessible Buses: For departure information, please ask any Crewmember at the Bus Tour Entrance.

Certified Autism Center™: The visitor complex partnered with The International Board of Credentialing and Continuing Education Standards and is a welcoming space for people with autism and sensory needs. Look for Sensory Guides at each attraction entrance.

Group/Education Programs: If you're interested in hosting an event or learning about the variety of educational programs we offer, visit Information or call **877.436.9670**.

For Your Safety: No weapons of any kind are permitted. Please do not approach any animals you may encounter. Do not leave packages unattended. Children 14 years of age and younger must be supervised at all times by someone 16 years of age or older.

NASA's Exploration Station: Located in the **Center for Space Education**, the Exploration Station offers FREE activity workshops with the goal of inspiring and engaging the next generation of explorers!

GreenPath: Working on the Merritt Island National Wildlife Refuge comes with the responsibility to tread lightly on the environment. Join us in our "GreenPath" initiatives throughout the park, designed to reduce the human impact on our beautiful surroundings.

Kennedy Space Center is a working spaceflight facility. Tours, films and exhibits may be altered or closed due to operational requirements. Some exhibits may be closed due to inclement weather. Seating available on a first-come, first-served basis. Some exhibits may have limited seating due to group reservations. Admission tickets and annual passes are nonrefundable.

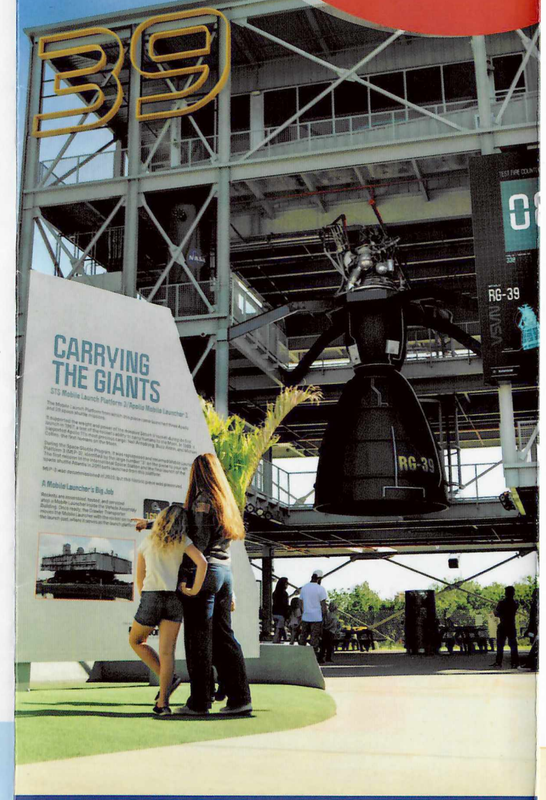

Kennedy Space Center Visitor Complex, Space Shuttle Atlantis®, IMAX®, Shuttle Launch Experience®, ATX®, Planet Play®, Spaceport KSC® and Gateway: The Deep Space Launch Complex® logos are registered service marks of their respective owners. Kennedy Space Center Visitor Complex is operated for NASA by Delaware North and is entirely visitor-funded.

FEATURED ATTRACTIONS

MAIN VISITOR COMPLEX

Space Shuttle Atlantis®
See the real Atlantis orbiter. Interact with more than 60 simulators and exhibits to learn what it is like to live and work in space.

Shuttle Launch Experience® — Strap in for the excitement of a space shuttle launch. Guests with motion sensitivities can still enjoy the mission briefing pre-show. 44" height minimum. Located inside Space Shuttle Atlantis.

Gateway: The Deep Space Launch Complex® — See the visionary designs paving the way of human deep space travel while discovering the current cutting-edge innovations of space exploration from NASA and commercial partners.

Spaceport KSC® — Enter the spaceport of the future and launch aboard one of four unforgettable journeys during an immersive ride. 44" height minimum. Located inside Gateway.

Heroes & Legends featuring the U.S. Astronaut Hall of Fame®
Experience the dawn of the space age with astronaut pioneers through actual artifacts. Learn which qualities define heroes and find them among those inducted into the Hall of Fame.

Planet Play®
A fully immersive play experience designed to educate the next generation about space exploration. Ages 2-12.

Rocket Garden — Explore authentic engineering feats of technology and their tribute to the people who turned dreams of spaceflight into reality.

HYPERDECK VR — Through virtual reality, head to the Moon and experience a dynamic world featuring a full-motion floor and multi-sensory effects. Reservations required, see daily schedule for QR code.

ATX® Training Stages — Practice your docking skills, navigate the Mars terrain, and experience the sensation of performing a spacewalk. Ages 10 and older. **Requires a separate ticket**; purchase inside the Astronaut Training Experience® center lobby.

KENNEDY SPACE CENTER BUS TOUR

Go behind NASA's gates to see the past, present and future of America's premier spaceport. The bus tour includes two stops listed below. *Allow 3 hours. See daily schedule for operational hours.*

NEW! **The Gantry at LC-39** – Experience a multisensory simulated engine test fire, practice building and launching rockets, and visit NASA's Earth Information Center.

Apollo/Saturn V Center –
Explore the Apollo Program's worldwide impact while standing underneath the largest rocket ever flown.

KSC Explore Tour – Go beyond the regular bus tour. Ride along with a space expert as your guide, making several stops for once-in-a-lifetime photo opportunities including outside the Vehicle Assembly Building, launch pads, and more. **Requires a separate ticket**; must be reserved in advance.

MEET AN ASTRONAUT

Astronaut Encounter — A veteran NASA Astronaut who has lived and worked in space share their experiences during a live presentation and question & answer session. *40 min.*

Astronaut Autograph Signings — Meet a veteran astronaut for an autographed photo. *See daily schedule for times/locations.*

Chat With an Astronaut — Sit down in a casual, small-group setting to answer your most pressing questions and enjoy a sampling of food and beverages. **Requires a separate ticket**; must be reserved in advance. *45 min.*

SHOWS & PRESENTATIONS

Check Daily Schedule for show times.

Journey To Mars — Join NASA on the pathway to Mars with live shows, interactive exhibits and full scale models. *20 min.*

IMAX® — Watch a space-themed film. Arrive 15 minutes before the film begins. *45 min.*

Fraggle Rock: A Space-y Adventure — This exciting musical adventure stars Jim Henson's Emmy® Award-winning Fraggles as they come face-to-face with NASA's real-life space explorers. *25 min.*

Mission Status Briefings — Learn about recent and future NASA missions and more in this live presentation. Inside Universe Theater. *20 min.*
