

Appendix F Draft Taxonomy for Museum Collections to be used in the Computerized Catalog

## TABLE OF CONTENTS

<u>PAGE</u>	<u>TOPIC HEADING</u>
1.	Slime Molds, Bluegreen Algae
1.	Animals
1.	Invertebrates
3.	Vertebrates
3.	Fish
5.	Amphibians
6.	Reptiles
8.	Birds
10.	Mammals
13.	Plants
13.	Non-vascular
13.	Vascular
14.	Dicots
17.	Monocots
19.	Animal Fossils
19.	Invertebrates
21.	Vertebrates
21.	Fish
23.	Amphibians
24.	Reptiles
26.	Birds
28.	Mammals
31.	Plant Fossils
31.	Non-vascular
31.	Vascular
32.	Dicots
35.	Monocots
37.	Geological Materials
37.	Rocks
37.	Igneous
37.	Metamorphic
38.	Sedimentary
39.	Soils
40.	Mixed Mineral Assemblages
40.	Minerals
41.	Extra Terrestrial Materials

1.

1. 2. 3. 4. 5. 6. 7. 8. 9. 10.

MONERA

schizomycetes---slime molds  
cyanophyta---bluegreen algae  
ANIMALIA---animals  
protozoa---single celled organisms  
porifera---sponges  
mesozoa---mesozoans  
coelenterata(cnideria)---coelenterates  
    anthozoa---corals, sea anemones  
    hydrozoa---hydroids  
    scyphozoa---jellyfishes  
ctenophora---combjellies  
platyhelminthes---flatworms  
    cestoda---tapeworms  
    trematoda---flukes  
    turbellaria---free-living flatworms  
nemertina(rhynchocoela)---nemertine worms  
acanthocephala---thorny-headed worms  
aschelminthes---aschelminths  
    gastrotricha---gastrotrichs  
    kinorhyncha---kinorhynchs  
    nematoda---roundworms  
    nematomorpha---horsehair worms  
entoprocta---entoprocts  
priapulida---priapulids  
ectoprocta(bryozoa)---bryozoans  
    gymnolaemata  
    phylactolaemata  
phoronida---lophophorates  
brachiopoda---brachiopods  
    articulata---hinged-valve brachiopods  
    inarticulata---hingless brachiopods  
mollusca---molluscs  
    amphineura(polyplacophora)---chitons  
    aplacophora---solenogasters  
    cephalopoda---squid, octopus, nautilus  
    gastropoda---snails  
    monoplacophora---monoplacophores  
    pelecypoda---bivalved molluscs (clams, oysters, mussels)  
    scaphopoda---tusk shells  
sipunculida---sipunculids  
echiurida---marine proboscis worms  
annelida---segmented worms  
    hirudinea---leaches  
    oligochaeta---earthworms  
    polychaeta---marine worms  
onychophora---onychophorans  
tardigrada---water bears  
pentastomida---pentastomid parasites

2.

1.           2.           3.           4.           5.           6.           7.           8.           9.           10.

**arthropoda**

**chelicerata---chelicerates**

arachnida---spiders, tics, scorpions, whip-tail scorpions  
chilopoda---centipedes

crustacea---aquatic and marine mandibulates

branchiopoda---branchiopods

cirripedia---barnacles

copepoda---copepods

eucarida---eucarids

hoplocarida---hoplocarids

malacostraca---malacostracans

ostracoda---ostracods

peracarida---peracarids

phyllocarida---phyllocarids

syncarida---syncarids

diplopoda---millipedes

eurypterida(extinct)---giant water scorpions

insecta---insects

anoplura---sucking lice

coleoptera---beetles

collembola---springtails

dermaptera---earwigs

diptera---flies, craneflies

embioptera---webspinners

ephemeroptera---mayflies

hemiptera---bugs

homoptera---cicadas, hoppers, whiteflies, aphids,

---scale insects

hymenoptera---sawflies, ichneumons, chalcids, ants,

---wasps, bees

isoptera---termites

lepidoptera---butterflies and moths

mallophaga---chewing lice

mecoptera---scorpionflies

neuroptera---dobsonflies, fishflies, alderflies,

---lacewings, antlions

odonata---dragonflies, damselflies

orthoptera---grasshoppers, crickets, cockroaches,

---mantids, walkingsticks

plecoptera---stoneflies

protura---proturans

psocoptera---booklice, barklice

siphonaptera---fleas

strepsiptera---twisted-winged parasites

thysanura---bristletails

trichoptera---caddisflies

zoraptera---zorapterans

pauropoda---pauropods

pycnogonida---pycnogonids (pantopods)

symphyla

xyphosura---horseshoe crabs

3.

1.           2.           3.           4.           5.           6.           7.           8.           9.

trilobita(extinct)---trilobites  
echinodermata---echinoderms  
  asteriodea---starfish  
  crinoidea---sea lillies, feather stars  
  echinoidea---sea urchins  
  holothuroidea---sea cucumbers  
  ophiuroidea---brittle stars  
chaetognatha---arrow worms  
pogonophora---beard worms  
hemichordata---hemichordates  
  enteropneusta---acorn worms  
  pterobranchia---pterobranchs  
chordata  
  urochordata---tunicates  
    ascidiacea---sea squirts  
    larvacea---appendicularians  
    thaliacea---scalps  
  vertebrata---vertebrates  
    agnatha  
      cyclostomata(marsipobranchii)---cyclostomates  
      myxiniformes---hagfishes  
      petromyzontiform-s---lampreys  
      ostracodermi(extinct)---ostracoderms  
  placodermi  
    acanthodii(extinct)  
    antiarchi(extinct)  
    arthrodira(extinct)  
    macropetalichthyida(extinct)  
    phenanida(extinct)  
  chondrichthyes  
    elasmobranchii  
      cladoselachiformes(extinct)  
      rajiiformes(hypotremata or batoidei)  
        ---skates, rays  
      squaliformes(pleurotremata)---sharks  
      xenacanthiformis(extinct)  
  holocephali  
    chimaeriformes---chimaeras  
    chondrencheliformes (extinct)  
osteichthyes  
  actinopterygii  
    acipensiriformes---sturgeons, paddlefishes  
    amiformes---bowfin  
    anguilliformes(apodes)---morays,  
      ---longneck eels,freshwater eel:  
    ataleopiformes---deepsea ataleopids  
    bathyclupeiformes---deepsea herrings  
    batrachoidiformes(haplodoci)---toadfishes  
    beloniformes(synentognathi)---flying fish,  
      ---needle fishes  
    beryciformes---lanterneye fishes, beard  
      ---fishes, squirrel fishes  
      ---pinecone fishes  
    clupeiformes---smelts, salmons, trouts,  
      ---anchovies, herring, tarpons,  
      ---bone fishes,whitefishes

4.

- | 1. | 2. | 3. | 4. | 5. | 6. | 7. | 8. | 9. | 10. |
|----|----|----|----|----|----|----|----|----|-----|
|    |    |    |    |    |    |    |    |    |     |
- cypriniformes (ostariophysi) --- characids,  
--- gasteropelecids, loaches,  
--- catfishes, electric eels,  
--- minnows, carps  
cyprinodontiformes (microcyprini) ---  
--- killifishes, topminnows,  
--- livebearers, cavefishes  
echeneiformes (discocephali) --- shark suckers  
gadiformes (anacanthini) --- codfishes,  
--- hakes, grenadiers  
galaxiiformes --- galaxiids (New Zealand trout)  
gasterosteiformes (thoracostei) --- seahorse  
--- sticklebacks, tube snouts,  
--- trumpet fishes  
giganturiformes --- deep sea giganturids  
halosauriformes (lyopomi) --- halosaurid eel  
gobiesociformes (xenopteri) --- cling fishes  
lampridiformes (allotriognathi) --- opahs,  
--- tube-eyes, crest fishes,  
--- oar fishes, ribbon fishes  
lepisosteiformes --- gars  
lophiiiformes (pediculati) --- goose fishes  
--- goose fishes, frog fishes,  
--- angler fishes, bat fishes  
mystacembeliformes (opisthomii) ---  
--- mystacembelid eels  
mormyridiformes (scyphophori) --- mormyriads,  
--- gymnarchids  
myctophiformes (iniomii) --- lizard fishes,  
--- pearl eyes, lantern fishes  
notocanthiformes (heteromi) --- spiny eels  
ophicephaliformes (labyrinthici, in part)  
--- snake heads  
egasiformes (hypostomides) --- sea moths  
perciformes (percomorphi) --- snappers,  
--- perchs, darters, sunfishes,  
--- black basses, grunts, cichlids,  
--- wrasses, mackerels, tunas,  
--- swordfishes, gobies, mud-
- skippers, sculpins, flounders  
--- barracudas  
percopsiformes (salmosterae) --- trout-perch,  
--- pirate-perches  
phalostethiformes --- priapium fishes  
saccopharyngiformes (lyomeri) --- gulpers,  
--- swallows  
stephanoberyciformes (xenoberyas) ---  
--- pricklefishes, rodeletiids  
synbranchiformes (synbranchii) --- cuchias,  
--- swamp eels  
tetraodontiformes (plectognathi) --- puffers,  
--- triggerfishes, ocean sunfish  
zeiformes (zeomorphi) --- dories, boarfishes

5.

1.           2.           3.           4.           5.           6.           7.           8.           9.

amphibia---amphibians  
apsidospondyli  
labyrinthodontia(extinct)  
anthracosauria(extinct)  
temnospondyli(extinct)  
salientia---frogs and toads  
acris---cricket frogs  
ascaphus---tailed frogs  
bufo---toads  
gastrothryne---narrowmouth toads  
hyla---treefrogs  
hylactophryne---barking frogs  
hypopachus---sheep frogs  
leptodactylus---white-lipped---frogs  
limnoedus---grass frogs  
osteopilus---west indian treefrogs  
proanura(extinct)  
pseudacaris---chorus frogs  
pternohyla---burrowing treefrogs  
rana---true frogs  
rhinophrynum---burrowing frogs  
scaphiopus---spadefoot toads  
smilisca---mexican treefrogs  
syrrhophus---chirping frogs  
lepospondyli  
caudata (urodela)---salamanders  
caudata (urodela)---salamanders  
ambystoma---mole salamanders  
amphiuma---amphiumas  
aneides---climbing salamanders  
batrachoseps---slender salamanders  
cryptobranchus---hellbenders  
desmognathus---dusky salamander  
dicamptodon---giant salamanders  
ensatina---ensatinas  
eurycea---brook salamanders  
gryinophilus---spring salamanders  
haideotriton---georgia blind salamanders  
hemidactylum---four toed salamanders  
leurognathus---shovelnose salamanders  
necturus---waterdogs, mudpuppies  
notophthalmus---eastern newts  
phaeognathus---red hills salamanders  
plethodon---woodland salamander  
pseudobranchus---dwarf sirens  
pseudotriton---red salamanders  
rhyacotriton---olympic salamanders

6.

1.	2.	3.	4.	5.	6.	7.	8.	9.	1
----	----	----	----	----	----	----	----	----	---

siren---sirens  
stereochilus---many-lined  
---salamanders  
taracha---pacific newts  
typhlomolge---texas blind  
---salamanders  
typhlotriton---grotto salaman-  
--- -der

reptilia---reptiles  
anapsida  
chelonia(testudines)---turtles  
caretta---loggerhead sea turtle  
chelonia---green sea turtles  
chelydra---snapping turtles  
chrysemys---basking turtles  
clemmys---pond turtles  
deirochelys---chicken turtles  
dermochelys---leatherback  
---sea turtles  
emydoidea---blanding's turtles  
eretmochelys---hawksbill  
---sea turtles  
gopherus---gopher tortoises  
graptemys---map turtles  
kinosternon---mud turtles  
lepidochelys---ridley sea  
---turtles  
macroclemys---alligator snapping  
---turtles  
malaclemys---diamondback terra-  
--- -pins  
sternotherus---musk turtles  
terrapene---box turtles  
trionyx---softshell turtles

archosauria  
crocodilia---crocodilians  
.. crocodylus---crocodiles  
ornithischia(extinct)  
pterosauria(extinct)  
saurischia(extinct)  
thecodontia(extinct)

ichthyopterygia  
ichthyosauria (extinct)

lepidosauria  
eosuchia  
rhynchocephalia---sphenodon  
sauria---lizards  
annielia---legless lizards  
anolis---anoles  
callisaurus---zebratail lizards

7.

1.           2.           3.           4.           5.           6.           7.           8.           9.

*cnemidophorus*--whiptails,  
---racerunners  
*coleonyx*--banded geckos  
*cophosaurus*--greater earless  
---lizards  
*crotaphytus*--collared lizards  
*dipsosaurus*--desert iguanas  
*eumeces*--skinks  
*gambelia*--leopard lizards  
*gerrhonotus*--alligator lizard  
*heloderma*--gila monsters  
*holbrookia*--earless lizards  
*neoseps*--sand skinks  
*ophisaurus*--glass lizards  
*petrosaurus*--rock lizards  
*phrynosoma*--horned lizards  
*phyllodactylus*--leaf-toed  
---geckos  
*rhineura*--worm lizards  
*saromalus*--chuckwallas  
*sceloporus*--spiny lizards  
*scincella*--ground skinks  
*sphaerodactylus*--dwarf geckos  
*uma*--fringe-toed lizards  
*urosaurus*--tree lizards  
*uta*--side-blotched lizards  
*xantusia*--night lizards  
*serpentes*--snakes  
*agkistrodon*--copperheads,  
---cottonmouths  
*arizona*--glossy snakes  
*carphophis*--worm snakes  
*cemophora*--scarlet snakes  
*charina*--rubber boas  
*chilomeniscus*--sand snakes  
*chionactis*--shovelnose snakes  
*clonophis*--kirtland's snakes  
*coluber*--racers  
*coniophanes*--black-striped snake  
*crotalus*--rattlesnakes  
*diadophis*--ringneck snakes  
*drymarchon*--indigo snakes  
*drymobius*--speckled racers  
*elaphe*--rat snakes  
*farancia*--mud and rainbow snakes  
*ficimia*--mexican hooknose snake  
*gyalopion*--plateau hooknose  
---snakes  
*heterodon*--hognose snakes  
*hypsiglena*--night snakes  
*lampropeltis*--kingsnakes and  
---milk snakes

9.

1. 2. 3. 4. 5. 6. 7. 8. 9.

synchopidae---skimmers  
scolopacidae---woodcock, snipe  
---sandpipers  
stercorariidae---jaegers, skuas  
ciconiiformes  
ardeidae---herons, bitterns  
ciconiidae---storks, wood ibises  
phoenicopteridae---flamingos  
threskiornithidae---ibises,  
---spoonbills  
columbiformes  
columbidae---pigeons and doves  
coraciiformes  
alcedinidae---kingfishers  
cululiformes  
cuculidae---cuckoos, roadrunner  
---anis  
dinornithiformes (extinct)  
falconiformes  
accipitridae---hawks, old world  
---vultures, harriers  
cathartidae---american vultures  
falconidae---caracaras, falcons  
pandionidae---ospreys  
galliformes  
cracidae---curassows, guans,  
---chachalacas  
meleagrididae---turkeys  
phasianidae---quail, pheasants,  
---peacocks  
tetraonidae---grouse, ptarmigan  
gaviiformes  
gaviidae---loons  
gruiformes  
aramidae---limpkins  
gruidae---cranes  
rallidae---rails, gallinules,  
---coots  
esperornithiformes (extinct)  
ichthyornithiformes (extinct)  
passeriformes  
alaudidae---larks  
bombcyllidae---waxwings  
certhiidae---creepers  
chamaeidae---wrentits  
cinclidae---dippers  
coerebidae---honeycreepers  
corvidae---jays, magpies, crows  
cotingidae---cotingas  
fringillidae---grosbeaks, finches  
---sparrows, buntings  
hirundinidae---swallows  
icteridae---meadowlarks,  
---blackbirds, troupials  
laniidae---shrikes  
mimidae---mockingbirds, thrashers  
motacillidae---wagtails, pipits

embrididae

## 10.

1.           2.           3.           4.           5.           6.           7.           8.           9.

muscicapidae---thrushes,  
     ---solitaires, blueb.  
     ---old world warble  
     ---gnatcatchers,  
     ---kinglets  
 paridae---titmice, verdins  
     ---bushtits  
 parulidae---wood warblers  
 ploceidae---weaver finches  
 prunellidae---accentors  
 ptilegonatidae---silky flycate  
 sittidae---nuthatches  
 sturnidae---starlings  
 thraupidae---tanagers  
 troglodytidae---wrens  
 tyrannidae---tyrant flycatcher  
 vireonidae---vireos  
 pelecaniformes  
     anhingidae---darters  
     fregatidae---frigate-birds  
     pelecanidae---pelecan  
     phaethontidae---tropicbirds  
     phalacrocoracidae---cormorants  
     sulidae---boobies, gannets  
 piciformes  
     picidae  
 podicipediformes  
     podicipedidae---grebes  
 procellariiformes  
     diomedaeidae---albatrosses  
     hydrobatidae---storm petrels  
     procellariidae---shearwaters,  
         ---fulmars  
 psittaciformes  
     psittacidae---lorries, parrots  
         ---macaws  
 strigiformes  
     strigidae---typical owls  
     tytonidae---barn owls  
 trogoniformes  
     trogonidae---trogons  
 mammalia  
     prototheria  
         monotremata---echidna, duckbill platypus  
     allotheria  
         multituberculata(extinct)  
     "uncertain"  
         triconodonta(extinct)  
     theria-pantotheria  
         pantotheria(extinct)  
         symetrodonta(extinct)  
     theria-metatheria  
         marsupialia---opossums  
     theria-eutheria

11.

1. 2. 3. 4. 5. 6. 7. 8. 9. 10.

artiodactyla---even-toed ungulates  
antilocapridae---peccaries  
bovidae---cattle, bison, goat,  
---sheep, muskox  
cervidae---cervids (deer, moose,  
---elk, caribou)  
suidae---pigs  
tayassuidae---peccaries

carnivora---carnivores  
canidae---canids (coyotes, dogs,  
---wolves, foxes)  
felidae---cats  
mustelids---skunks, weasels, mink  
---wolverine, badger,  
---otters, ferret, fisher  
---marten, ermine  
procyonidae---ringtail, racoon,  
---coati  
ursidae---bears

cetacea---cetaceans  
balenidae---baleen whales  
balenopteridae---balenopterid  
---whales  
delphinidae---dolphins and  
---porpoises  
eschrichtidae---gray whale  
kogidae---pygmy sperm whales  
monodontidae---beluga and narwhal  
physeteridae---sperm whale  
ziphiidae---beaked whales

chiroptera---bats  
molossidae---molossid bats  
mormoopidae---mormoopid bats  
phylostomatidae---phylostomatid  
bats  
vespertilionidae---vespertilionid  
bats

edentata---edentates  
dasypodidae---armadillos

insectivora---insectivores  
soricidae---shrews  
talpidae---moles

lagomorpha---lagomorphs  
leporidae---hares and rabbits  
ochotonidae---pikas

pinnipedia otariidae---eared seals  
phocidae---hair seals

12.

1.           2.           3.           4.           5.           6.           7.           8.           9.           10.

rodentia---rodents

aplodontidae---mountain beaver  
capromyidae---capromyds(nutria)  
castoridae---beavers  
cricetidae---new world rats and  
mice  
erethizontidae---new world  
porcupines  
geomysidae---pocket gophers  
heteromyidae---heteromyids  
muridae---old world rats and mice  
sciuridae---squirrels  
zapodidae---jumping mice

sirenia--- seacows

trichechidae---manatees

1.      2.      3.      4.      5.      6.      7.      8.      9.      1

**PLANTAE---plants**

- thallophyta---thallus plants
  - euglenophyta---euglena
  - chlorophyta---green algae
    - charophyceae
    - chlorophyceae
    - chrysophyta---yellow-green/<sup>and</sup> golden brown algae; diatoms
    - bacillariophyceae
    - chrysophyceae
    - xanthophyceae
  - pyrrhophyta---dinoflagellates
  - phaeophyta---brown algae
  - rhodophyta---red algae
  - myxomycophyta---slime molds or slime fungi
    - acrasiae
    - labyrinthulaceae
    - myxomycetes
    - plasmodiophoreae
  - eumycophyta---true fungi
    - ascomyctetes---sac fungi
    - basidiomycetes---basidium fungi, club fungi
    - fungi imperfecti---imperfect fungi
    - phycomyctetes---algal fungi
- embryophyta
  - bryophyta---bryophytes
    - anthocerotae---horned liverworts or hornworts
    - hepaticae---liverworts
    - musci---mosses
  - tracheophyta---vascular plants .
    - psilopsida---psilopsids
      - psilotales(extinct)
      - psilotales---psilotum, tmesipteris
    - lycopsida
      - isoetales---quillworts
      - lepidodendrales(extinct)---giant club mosses
      - lycopodiales---club mosses
      - selaginellales---small club mosses
    - sphenopsida
      - calamitales---calamites
      - equisetales---horsetails
      - sphenophyllales(extinct)
    - pteropsida
      - filicinae---ferns
        - filicales---typical ferns
        - marattiaceae---marattiaceous ferns
        - ophioglossales---adder's tongue ferns
    - gymnospermae
      - bennettitales(extinct)
      - cycadales---cycads
      - coniferales---conifers
      - cordaitales---early conifers(extinct)
      - ginkgoales---ginkos
      - gnetales---ephedras
    - angiospermae

1.	2.	3.	4.	5.	6.	7.	8.	9.	10.
				dicotyledonae					
				acanthaceae---acanthus					
				aceraceae---maples					
				adoxaceae					
				agavaceae					
				aizoaceae---mesembryanthemum					
				amaranthaceae---amaranths					
				anacardiaceae---cashews					
				amonaceae---custard-apple					
				apiaceae---carrots					
				apocynaceae---dogbane					
				aponogetonaceae---aponogetone					
				aquifoliacea---holly					
				araliaceae---ginseng					
				aristolochiaceae---birthwort					
				asclepiadaceae---milkweed					
				asteraceae---composites					
				balanophoraceae---balanophorales					
				balsaminaceae---balsam					
				baseellaceae---basella					
				batidaceae---batis					
				begoniacciae---begonias					
				berberidaceae---barberry					
				betulaceae---birch bamily					
				bignoniaceae---bignonia					
				bixaee---bixa					
				bombacaceae---bombax					
				boraginaceae---borag					
				brassicaceae---mustard					
				brunelliaceae---South American rose					
				burseraceae---bursera					
				buxaceae---boxwood

## 15.

1.	2.	3.	4.	5.	6.	7.	8.	9.
----	----	----	----	----	----	----	----	----

convolvulaceae---morning glory  
 cornaceae---dogwood  
 corynocarpaceae  
 crassulaceae---orpins  
 crossosomataceae---crossoma  
 cucurbitaceae---gourd  
 cumoniaceae---cuonia  
 cyrillaceae---cyrilla  
 datiscaceae---datisca  
 diapensiaceae---diapensia  
 dilleniaceae---tropical dillenia  
 dipsacaceae---teasel  
 droseraceae---sundew  
 ebenaceae---ebony  
 elaeagnaceae---oleaster  
 elaeocarpaceae---elaeocarpus  
 elatinaceae---waterwort  
 empetraceae---crowberry  
 epacridaceae---epacris  
 ericaceae---heath  
 erythroxylaceae---coco  
 euphorbiaceae---spurge  
 fabaceae  
 fagaceae---beech  
 flacourtiaceae---flacourtia  
 flagellariaceae---candlewood  
 frankeniaceae---frankenia  
 garryaceae---garrya  
 gentianaceae---gentian  
 geraniaceae---geranium  
 gesneriaceae---gesneria  
 goodeniaceae---goodenia  
 haloragaceae---water milfoil  
 hamamelidaceae---witch-hazel  
 hernaniaceae---hernandia  
 hippocastanaceae---horse-chestnut  
 hippuridaceae---hippuris  
 hydrophyllaceae---waterleaf  
 icacinaceae---icacina  
 illiciaceae---illicium  
 iridaceae---iris  
 juglandaceae---walnut  
 krameriaceae  
 lamiaceae---mint  
 lardizabalaceae---lardizabal  
 lauraceae---laurel  
 leitneriaceae---corkwood  
 lennoaceae---lennoa  
 lentibulariaceae---bladderwort  
 limnanthaceae---limenthalus  
 linaceae---flax  
 loasaceae---loasa  
 loganiaceae---logania  
 loranthaceae---mistletoe  
 lythraceae---loosestrife

1.	2.	3.	4.	5.	6.	7.	8.	9.	1
----	----	----	----	----	----	----	----	----	---

magnoliaceae---magnolia  
 malpighiaceae---mapighia  
 malvaceae---mallow  
 marcograviaceae  
 martyniaceae---martynia  
 melastomataceae---melastoma  
 melianthaceae---melianthus  
 menispermaceae---moonsseed  
 menyanthaceae---buckbean, bogbean  
 moraceae---mulberry  
 moringaceae---moring  
 musaceae---banana  
 myoporaceae---myopora  
 myricaceae---sweetgale  
 myrsinaceae---myrsine  
 myrtaceae---myrtle  
 nyctaginaceae---four-o'clock  
 nymphaeaceae---water lilly  
 nyssaceae---nyssa  
 ochnaceae---ochma  
 olacaceae---olax  
 oleaceae---olive  
 onagraceae---evening primrose  
 orobanchaceae---broomrape  
 oxalidaceae---oxalis  
 paeonia~~s~~—paeoniaceae ←  
 papaveraceae---poppy  
 passifloraceae---passion-flower  
 pedaliaceae---pedalium  
 phytolaccaceae--- pokeweed  
 piperaceae---pepper  
 pittosporaceae---pittosporum  
 plantaginaceae---plantago  
 plantanaceae---plane-tree  
 plumbaginaceae---leadwort  
 podostemaceae---river-weed  
 polemoniaceae---flox  
 polygalaceae---milkwort  
 polygonaceae---buckwheat  
 portulacaceae---purselane  
 primulaceae---primula  
 proteaceae---protea  
 punicaceae---pomegranite  
 rafflesiacae---rafflesia  
 ramunculaceae---buttercup  
 resedaceae---mignonette  
 rhamnacae---buckthorn  
 rhizophoraceae---mangrove  
 rosaee---rose  
 rorburghiacae---  
 rubiceae---madder  
 rutaceae---rue

orchidaceae—orchids  
pandaceae—screw pine  
Pontederiaceae—pickerelweed  
potamogetonaceae—pond weed  
scheuchzeriaceae—arrow grass  
smilacaceae  
sparganiaceae—bur-reed  
taccaceae  
cyphaceae—cat-tail  
Xyridaceae—yellow-eyed grass  
zingiberaceae—ginger  
zoasteraceae—zoostera

H.

1.           2.           3.           4.           5.           6.           7.           8.           9.

paleozoology---animal fossils

protozoa---single celled organisms  
porifera---sponges  
mesozoa---mesozoans  
coelenterata(cnideria)---coelenterates  
    anthozoa---corals, sea anemones  
    hydrozoa---hydroids  
    scyphozoa---jellyfishes  
ctenophora---combjellies  
platyhelminthes---flatworms  
    cestoda---tapeworms  
    trematoda---flukes  
    turbellaria---free-living flatworms  
nemertina(rhynchocoela)---nemertine worms  
acanthocephala---thorny-headed worms  
aschelminthes---aschelminths  
    gastrotricha---gastrotrichs  
    kinorhyncha---kinorhynchs  
    nematoda---roundworms  
    nematomorpha---horsehair worms  
entoprocta---entoprocts  
priapulida---priapulids  
ectoprocta(bryozoa)---bryozoans  
    gymnolaemata  
    phylactolaemata  
phoronida---lophophorates  
brachiopoda---brachiopods  
    articulata---hinged-valve brachiopods  
    inarticulata---hingless brachiopods  
mollusca---molluscs  
    amphineura(polyplacophora)---chitons  
    aplacophora---solenogasters  
    cephalopoda---squid, octopus, nautilus  
    gastropoda---snails  
    monoplacophora---monoplacophores  
    pelecypoda---bivalved molluscs (clams, oysters, mussels)  
    scaphopoda---tusk shells  
sipunculida---sipunculids  
echiurida---marine proboscis worms  
annelida---segmented worms  
    hirudinea---leaches  
    oligochaeta---earthworms  
    polychaeta---marine worms  
onychophora---onychophorans  
tardigrada---water bears  
pentastomida---pentastomid parasites

20

1.      2.      3.      4.      5.      6.      7.      8.      9.      10.

arthropoda

chelicerata---chelicerates

arachnida---spiders, tics, scorpions, whip-tail scorpions

chilopoda---centipedes

crustacea---aquatic and marine mandibulates

branchiopoda---branchiopods

cirripedia---barnacles

copepoda---copepods

eucarida---eucarids

hoplocarida---hoplocarids

malacostraca---malacostracans

ostracoda---ostracods

peracarida---peracarids

phyllocarida---phyllocarids

syncarida---syncarids

diplopoda---millipedes

eurypterida(extinct)---giant water scorpions

insecta---insects

anoplura---sucking lice

coleoptera---beetles

collembola---springtails

dermaptera---earwigs

diptera---flies, craneflies

embioptera---webspinners

ephemeroptera---mayflies

hemiptera---bugs

homoptera---cicadas, hoppers, whiteflies, aphids,  
---scale insects

hymenoptera---sawflies, ichneumons, chalcids, ants,  
---wasps, bees

isoptera---termites

lepidoptera---butterflies and moths

mallophaga---chewing lice

mecoptera---scorpionflies

neuroptera---dobsonflies, fishflies, alderflies,  
---lacewings, antlions

odonata---dragonflies, damselflies

orthoptera---grasshoppers, crickets, cockroaches,  
---mantids, walkingsticks

plecoptera---stoneflies

protura---proturans

psocoptera---booklice, barklice

siphonaptera---fleas

strepsiptera---twisted-winged parasites

thysamira---bristletails

trichoptera---caddisflies

zoraptera---zorapterans

paurotopoda---pauropods

pycnogonida---pycnogonids (pantopods)

symphyla

xyphosura---horseshoe crabs

----	----	----	----	----	----	----	----	----	-----

trilobita(extinct)---trilobites  
 echinodermata---echinoderms  
     asterioidea---starfish  
     crinoidea---sea lillies, feather stars  
     echinoidea---sea urchins  
     holothuroidea---sea cucumbers  
     ophiuroidea---brittle stars  
 chaetognatha---arrow worms  
 pogonophora---beard worms  
 hemichordata---hemichordates  
     enteropneusta---acorn worms  
     pterobranchia---pterobranchs  
 chordata  
     urochordata---tunicates  
         asidiacea---sea squirts  
         larvacea---appendicularians  
         thaliacea---scalps  
     vertebrata---vertebrates  
         agnatha  
             cyclostomata(marsipobranchii)---cyclostomes  
                 myxiniformes---hagfishes  
                 petromyzontiform-s---lampreys  
                 ostracoderma(extinct)---ostracoderms  
     placodermi  
         acanthodii(extinct)  
         antiarchi(extinct)  
         arthrodira(extinct)  
         macroptetalichthyida(extinct)  
         phenanida(extinct)  
 chondrichthyes  
     elasmobranchii  
         cladoselachiformes(extinct)  
         rajiformes(hypotremata or batoidei)  
             ---skates, rays  
         squaliformes(pleurotremata)---sharks  
         xenacanthiformis(extinct)  
 holocephali  
     chimaeriformes---chimaeras  
     chondrencheliformes (extinct)  
 osteichthyes  
     actinopterygii  
         aciensiriformes---sturgeons, paddlefishes  
         amiformes---bowfin  
         anguilliformes(apodes)---morays,  
             ---longneck eels, freshwater eels  
         ateleopiformes---deepsea ateleopids  
         bathyclupeiformes---deepsea herrings  
         batrachoidiformes(haplodoci)---toadfishes  
         beloniformes(synentognathi)---flying fish,  
             ---needle fishes  
         beryциiformes---lanterneye fishes, beard  
             ---fishes, squirrel fishes,  
             ---pinecone fishes  
         clupeiformes---smelts, salmons, trouts,  
             ---anchovies, herring, tarpons,  
             ---bone fishes, whitefishes

    chrysophyceae

    xanthophyceae

pyrrhophyta---dinoflagellates

phaeophyta---brown algae

rhodophyta---red algae

myxomycota---slime molds or slime fungi

    acrasiae

    labyrinthuleae

    myxomycetes

    plasmidiophorae

euhycomycota---true fungi

    ascomycetes---sac fungi

    basidiomycetes---basidium fungi, club fungi

    fungi imperfecti---imperfect fungi

    phycomycetes---algal fungi

embryophyta

bryophyta---bryophytes

    anthocerotae---horned liverworts or hornworts

    hepaticae---liverworts

    musci---mosses

tracheophyta---vascular plants

    psilopsida---psilopsids

        psilotales(extinct)

        psilotales---tsilotum, tmesipteris

    lycopsida

        isoetales---quillworts

        lepidodendrales(extinct)---giant club mosses

        lycopodiales---club mosses

        selaginellales---small club mosses

    sphenopsida

        calamitales---calamites

        equisetales---horsetails

        sphenophyllales(extinct)

    pteropsida

        filicinae---ferns

        filicales---typical ferns

        marattiales---marattiaceous ferns

        ophioglossales---adder's tongue ferns

    gymnospermae

        bennettitales(extinct)

        cycadales---cycads

        coniferales---conifers

        cordaitales---early conifers(extinct)

        ginkgoales---ginkos

        gnetales---ephedras

angiospermae
