Todd Rankin/Taro Pusina/ Will Basye/Calvin Ferris/ John Donahue	<ul style="list-style-type: none"> Fire Behavior Modeling Interpret outputs Analysis Support (on/off site) Decision Content Support 	As Requested by Park. When analyses needs accepted or declined.

Decision Support – Process

Requesting assistance from Regional WFDSS Support Staff

Decision Support – *Proposal*

NPS Wildfire Decision Support Unit – *IMR/PWR*

- Provide a pool of qualified personnel that can be mobilized as a unit
- Typically, SOPL as unit lead with LTAN or GSAN and GISS
- Trainees will be utilized within the unit as available
Emphasis to build workforce capacity
- Provide dedicated decision support to augment workload of park personnel
- Mobilization and coordination managed by Regional Duty Officer with assistance from *Regional Fire Management Specialist*
