Mule Rides

Mule rides into the Canyon are well known, having been used to carry people and freight into the Canyon for years. . . . But, you've been told that reservations are required a year in advance.

Mule rides are almost always available on the North Rim of the Grand Canyon during season and with little or no advance reservations! And, you can choose between half-day and all-day trips with our convenient scheduled flights between rims. See the Canyon from the air and on a mule . . . An unbeatable combination to complete your Grand Canyon experience! Prices starting at \$80 (children), \$100 (adults) including round-trip airfare. Operates seasonally.

River Rafting

Want to enjoy the thrill of rafting the Colorado? Now you can get the *feel* of this great river in *one* day on our Colorado float trip with the Wilderness River Company.

Leave the South Rim at 7:45 a.m. and return by 5:00 p.m. *the same day.* This trip includes *everything* except your bathing suit, camera and film. . . . Transfers, flights, lunch, and return flight . . . *everything!* Operates seasonally.

Monument Valley and Indian Lands

Remote! Inaccessible! Incomparable. And, the stage for many great Western movies! No visit to the Southwest is complete without seeing

Monument Valley and Rainbow Bridge, home of the Navajo Indians. In only three hours, the **Grand Canyon Airlines'** tour of this great land will leave you with memories for a lifetime!

Our Location

Grand Canyon Airlines Terminal is located at the National Park Airport, south of the Grand Canyon on Highway 64 (U.S. 180). Plenty of **free, paved** parking for autos and RV's. Visit our new terminal and see displays of vintage photographs and historical documents on flying the Grand Canyon in the old days.

All Flights

Free full-color souvenir booklet and flight certificate. Courtesy hotel transfers on both South and North Rims.

GRAND CANYON
A I R L I N E S

Serving the Frontier West since 1927

THEN 1927

Over fifty years ago, using Stinson and Ford Trimotor aircraft, **Grand Canyon Airlines** pioneered aerial sightseeing of the Grand Canyon. We introduced visitors to the Canyon's hidden secrets when commercial aviation was in its infancy, flying from our own airfield carved from the Canyon's forest!

Our experience in flying the Grand Canyon is unequalled . . . our equipment is the most modern available and our flight crews are seasoned veterans in Canyon flying. Flying the Grand Canyon is *not* for amateurs. **Its our only business . . . and we do it best.** Let us make your Grand Canyon flight the experience of a lifetime.

Vistaliner

SEE THE GRAND CANYON IN STYLE with our specially modified 19-seat, wide-view **Vistaliner** for the finest sightseeing possible. The **Vistaliner** combines the best features of helicopter and fixed-wing aircraft to create the **ultimate sightseeing experience.**

Exclusive Vistaliner Features:

Panoramic view windows offer exceptional visibility from takeoff to touchdown through both sides of the aircraft from all seats.

Non-tinted windows for undistorted color photography.

Air conditioned and sheepskin-covered seats for your maximum comfort.

High-wing design permits unobstructed viewing for everyone with minimum banking . . . an important feature for those unaccustomed to aerial sightseeing.

Two tour pilots on every flight, each highly trained and experienced.

Quiet reliable turboprop engines.

NOW *Welcome*

TO ONE OF THE SEVEN NATURAL WONDERS OF THE WORLD

Canyon Highlights Tour—The "Original" Air Tour of the Grand Canyon . . . and our specialty for almost 60 years.

The Grand Canyon stands unchallenged as nature's most remarkable work of art and as the foremost scenic attraction in America. Our narrated flights take you below the Canyon Rim to experience remote and inaccessible areas seen only by air. **Discover** where the mighty Colorado River carved through 10 million years of Earth's history. **View** awesome gorges where colors of mauve, purple, red, brown, gold and blue are ever-changing . . . Gigantic buttes, historic Phantom Ranch on the Canyon's floor, and animal-shaped rock formations such as the "Scorpion" and "Snoopy." You'll see all the highlights of the Grandest of Canyons.

Grand Canyon Airlines' specially trained flight crews will narrate your sightseeing flight as you view the **heart and highlights** of the Canyon. And, you'll enjoy the **exclusive**

first-class comfort afforded by **Grand Canyon Airlines'** high-wing, twin-engine, two-pilot **Vistaliners.**
