

SPECIAL SCENIC TRIPS: A wide variety of sightseeing activities await your visit — from narrated cruises on Jackson Lake, including a special breakfast cruise leaving from Colter Bay Marina, to luncheon at the TRAVEL/HOLIDAY AWARD winning Jenny Lake Lodge (reservations required). A visit to the Indian Arts Museum at Colter Bay or an all-day trip to Yellowstone are available.

FISHING: The clear, cold lakes and streams of the Grand Teton National Park shelter scrappy Cutthroat, Mackinaw, and German Brown trout. Trolling rods and lures are furnished on guided trips on Jackson Lake. Bring your fly-casting and spincasting tackle for fishing on the Snake River. Guides for hire and rental equipment also available.

TRAIL RIDES: Experience a bit of the old West on a breakfast ride rewarded with the tantalizing aromas of ham, eggs and hot coffee. Or a morning jaunt that gives lunch the look of a meal you've never really appreciated before. Enjoy evening horseback or wagon rides to a campfire supper with roasted marshmallows.

RAFTING DOWN THE RIVER: Board a comfortable rubber raft and take a leisurely scenic trip along the meandering Snake River. The scenery's perfect for sightseers and cameramen. The trip is a wonderful way to get acquainted with the Park.

OUTSIDE THE PARK: Park visitors and guests are invited to use all facilities of the Jackson Hole Golf & Tennis Club. Casual dining is available for lunch and dinner at the Strutting Grouse Restaurant. The clubhouse is located just off Highway #89, eight miles north of Jackson. This is an 18-hole, par 72 championship course. The small Western town of Jackson offers a variety of activities — art galleries and museums, old-time saloons, Western melodramas, and rodeos. Teton Village has a tram ride with marvelous views of Jackson Hole.

WHAT TO WEAR: Dress is usually informal, with the emphasis on comfort. Days are usually warm, so have light-weight sportswear with you. A sturdy pair of walking shoes or hiking boots, denim trousers, and bathing suits will add to your comfort and enjoyment. In short, plan for an active outdoor life. Nights are cool, so warm clothing is desirable. The mountain sun burns fast through the thinner air, so bring your suntan lotion along.

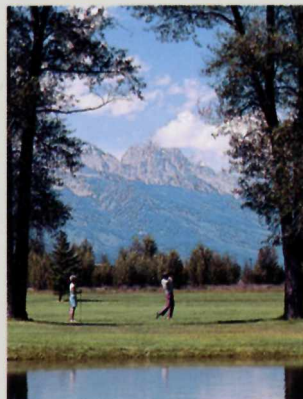

The National Park Service charges visitors an entry fee to Grand Teton National Park.
