JUNIOR RANGER PROGRAM

Welcome to Little Bighorn
Battlefield National Monument.

National Parks belong to everyone. Today there are over 370 national park system areas in the United States for your enjoyment. It is the duty of the National Park Ranger to protect the park resources and the people visiting them. We need your help to do this. The National Park Service is looking for special people to become Junior Rangers. As a Junior Ranger at Little Bighorn Battlefield, you can help by learning about the national monument, sharing your discoveries with friends and family, and leaving the park as clean and beautiful as it was when you arrived.

To earn a Junior Ranger Badge, complete the following and return this folder to a National Park Ranger at the visitor center desk:

1. Attend a Ranger Program or film.
2. Learn the answers to the questions in this folder.
3. Follow the Junior Ranger Code.
4. Follow the code of the National Park Service which reads in part: "To conserve the scenery and the natural and historic objects and the wildlife therein and to provide for the enjoyment of the same in a such manner and by such means as will leave them unimpaired for the enjoyment of future generations." Organic Act 1916.
