ABOUT

KENAI FJORDS NATIONAL PARK

There's no better way to discover Kenai Fjords National Park's amazing wildlife and scenery than on a Major Marine cruise. Our boats deliver 360-degree views from our spacious outdoor deck spaces - for one head-turning experience after another.

Surrounded by steep mountain walls and glacier-carved fjords, Kenai Fjords National Park provides the perfect habitat for humpback whales, orca whales, sea lions, sea otters, Dall's porpoises, mountain goats, bald eagles, puffins and a vast number of seabirds.

Over half of Kenai Fjords National Park is covered by the massive Harding Icefield, which is the source of the tidewater and piedmont glaciers that can be seen on our tours.

PLANNING FOR YOUR CRUISE

Advance reservations are recommended. Dress in layers, including a warm rainproof coat, hat, gloves and rubber-soled shoes.

GETTING TO SEWARD

- » Seward is located 130 miles south of Anchorage. We recommend at least 3 hours of driving time from Anchorage. Our friendly and local customer service agent can assist with additional transportation options to Seward. Our main check-in office is inside Harbor 360 Hotel at 1412 4th Ave.
- » Major Marine offers complimentary shuttle service from various locations in Seward. Please call at least 24 hours in advance to add shuttle service.

All cruises are smoke free environments.

Please check our website for full refund policy. A credit card processing fee will be assessed for cancellations.

Brochures printed using soy-based inks on paper containing post-consumer recycled content, produced using sustainable forest management practices.
