Within Skagway, cardinal directions are colloquially oriented with reference to the city's street grid instead of true north. The north-south axis is aligned with Broadway, making "north" closer to northeast. The photo captions follow this convention.

Additional views of the Moore Homestead can be found within the photographs of the City of Skagway (HABS AK-15).

INDEX TO BLACK AND WHITE PHOTOGRAPHS

Robert C. Park, photographer, October 2022

AK-295-C-1	West elevation of the Auto Shed. Extant holes reflect era of building use as a pigeon coop. View to east.
AK-295-C-2	West elevation with scale. View to east.
AK-295-C-3	Northwest corner, with north door on the left-hand side. The shed roof slopes to the east. View to southeast.
AK-295-C-4	South entrance to Auto Shed with double doors open. This was the entrance for an early family vehicle. View to north.
AK-295-C-5	Interior view of Auto Shed showing gravel floor, stud walls, and vertical board siding. View to north.
