## TO PLACE AN ORDER

- Confirm that the **ORDERING GUIDE** is current. (The **ORDERING GUIDE** contains the price lists and sizing charts). If it is out of date, please contact the uniform coordinator at your duty station for a current **ORDERING GUIDE**.
  - On your **ORDER FORM**, print (a) your name, (b) duty station, (c) duty station address (HSAC/R&R is allowed to ship only to official duty station locations), (d) daytime phone number, and (e) employee account number. Your employee account number is the first seven digits of your Social Security Number.
  - Record your measurement information in the spaces provided. It is very important that this information be complete and correct. Please refer to the "Measuring Guide" in this **ORDERING GUIDE** for measuring instructions. Always consult the size chart before ordering each item. Sizing may vary because different manufacturers provide the items in your uniform program. If your measurements fall between sizes on the measurement chart, order the next larger size.
  - Enter the appropriate (a) style number, (b) item description, (c) size, (d) quantity, (e) unit price and (f) total price for each item. Any additional information about your order can be recorded in the special instructions section of your order form.
  - All pants are hemmed to your individual measurements, but should be ordered in one inch increments. (Please round one-half inch inseam measurements up to the next full inch.) Pants can be shipped unhemmed if you desire. Please note it on your order form. It is important that both men and women provide their inseam length.
  - Complete the order total lines (1, 2, & 3) at the bottom of the uniform item section of your order form. If line 1 exceeds line 2, record your method of payment in the section provided.
  - If personal funds are required, sales tax may apply and should be included in line 4. See the order form for the applicable states.
  - R&R Uniforms accepts checks, money orders, Visa, MasterCard, and Discover. **DO NOT SEND CASH**. If you are using a credit card, include the entire credit card number and expiration date on the order form. There is a \$3 minimum on credit card orders. Faxed orders must be paid by allowance dollars or credit card. Checks and money orders are to be used with mailed orders only.
- If you fax your order, retain the original for your files. If you mail your order, make a copy for your files. Please do not mail and fax the same order.

**ORDERS MAY BE MAILED OR FAXED TO:**

## FAX ORDERS

- HSAC/R&R has experienced some problems with FAX orders being difficult to read. While over 99% of the orders FAXed to us are handled without incident, we are dependent on telephone network and machines. We recommend the following:
    1. FAX us your order at 615-248-3437. If you do not receive your order or a back-order notice within 15 days of your order, please call us to ensure we have your order.
    2. If you FAX an order during business hours (8:00 a.m.-5:00 p.m. Central Time weekdays), you may verify receipt by telephone. You should call our 800 number within 10 to 15 minutes of sending the FAX. This will enable us to check before the order gets placed in line for keying. If you do not call within this time frame, we may not be able to verify until the order is keyed into our system.
    3. If you do not verify within 10 to 15 minutes after FAXing, wait 48 hours for R&R order processing to be complete, then telephone for your verification.
    4. If you chose not to verify and you have not received your order or a backorder notice within 15 days of the date of the FAX, you should telephone to verify.
    5. If you call and verify your FAX order, please record the person's name who verified along with the date and time. If you call after 48 hours, the Customer Service representative should be able to give you the order number.
    6. As we near the end of the fiscal year, please FAX your order well in advance of the cut-off date. Because orders cannot be accepted after the end of the fiscal year, you may want to verify as in item #2 above.
- We will do everything we can to properly handle your FAX orders as they are very important to you and R&R.

## UPON RECEIPT OF YOUR ORDER

- Check the packing list against the contents of your box. If items are missing, contact HSAC/R&R Customer Service immediately at 1-800-448-7968.
- Try on all garments to check for proper fit. HSAC/R&R cannot exchange any item that has been worn, washed, or altered unless the item is defective.
- If an item is defective, return it immediately. Include a description of the defect with the item. Any item found to be defective (other than due to normal wear and tear) can be returned for exchange or credit at any time.

## RETURNS AND EXCHANGES

- Returns and exchanges (other than defective items) must be received within 30 days of receipt of your order.
- The return/exchange form is on the back of the packing list included with your order. Use this form for all returns and exchanges.

- The top portion of the return/exchange form is for information regarding items that are being **returned**. Record the (a) style number, (b) description, (c) size, (d) quantity, (e) unit price, and (f) total price for items you wish to return. Be sure to include a reason code for each returned item.
- The bottom portion of the return/exchange form is for information about items that are being **reordered**. Please record the (a) style number, (b) description, (c) size, (d) quantity, (e) unit price, and (f) total price for items that you wish to reorder.
- If your uniform allowance funds are depleted, include the amount of any overage. Use a check, money order, Visa, MasterCard, or Discover. **DO NOT SEND CASH**. If you are using a credit card, include the entire credit card number and expiration date on the return/exchange form. There is a \$3 minimum on credit card orders.
- Prepare the return shipping box as securely as possible. All hats must be double-boxed to prevent damage. HSAC/R&R cannot accept responsibility for items damaged during the shipment of a return.
- HSAC/R&R suggests that you use UPS or another trackable method to ship your return.
- If your return is due to an error by HSAC/R&R, return the package via UPS Groundsaver or USPS (return receipt requested) at your cost and forward your shipping receipt to us for a full refund of the shipping charges.

## MEN

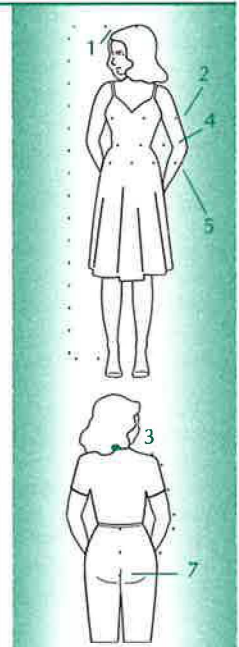

- Height:** Stand straight against a wall without your shoes. Make a mark level with the top of your head. Measure from this point down to the floor.
- Neck:** Measure around the base of the neck where a collared shirt would fit, or measure a collarband on a shirt that fits you well. Lay the collarband flat. Measure from the beginning of the button hole (2a) to the center of the button (2b).
- Chest:** Measure well up under your arms, across your shoulder blades and over the fullest part of your chest. Hold the tape firmly, but not tightly. Be sure the tape is level and straight across your back. Stand naturally.
- Sleeve:** Bend the elbow slightly. Start at the center back of the neck and measure across the shoulder to the elbow and down to the wrist bone.
- Waist:** First, remove your belt. Then, measure overshirt (not over pants) at the position you normally wear your pants. Hold the tape firmly, but not tightly.
- Inseam:** Use similar style pants that fit you well. Lay them flat, with the front and back creases smooth. Measure along the inside seam of one leg from the bottom of the hem (6a) to the crotch (6b).
- Rise:** This is the distance between the waist and the intersection of the crotch seams.

Some men's items are offered in short, regular, and long. Be sure to indicate these sizes on your Order Form.

## WOMEN

- Height:** Stand straight against a wall without your shoes. Make a mark level with the top of your head. Measure from this point down to the floor.
- Bust:** Measure around fullest part of the bust, holding the tape firmly but not tightly. Keep the tape straight and level.
- Sleeve:** Bend the elbow slightly. Start at the center back of the neck and measure across the shoulder to the elbow and down to the wrist bone.
- Waist:** Measure around the smallest part of your waistline, holding the tape firmly but not tightly. Keep the tape level and be sure to stand naturally.
- Hips:** Stand with your heels together. Measure around the fullest part of the hips. Hold the tape measure straight and level.
- Inseam:** Use similar style pants that fit you well. Lay them flat with the front and back creases smooth. Measure along the inside seam of one leg from the bottom of the hem (6a) to the crotch (6b).
- Rise:** This is the distance between the waist and the intersection of the crotch seams.

Some women's items are offered in petite, regular, and tall. Be sure to indicate these sizes on your Order Form.

### LENGTH COMPARISON GUIDE

MEN	WOMEN	
SHORT under 5'6"	PETITE under 5'4"	sleeve length and body length are each 1" shorter than regular length.
REGULAR 5'6" - 6"	REGULAR 5'4" - 5'7"	
LONG 6'1" - 6'3"	TALL over 5'7"	sleeve length and body length are each 1" longer than regular length.

- Your measurements fall between sizes.
