

Fact Sheet

U.S. Department of the Interior National Park Service Natural Resource Information Division

Fact Sheet Index

March 1997

97-17

The index of the fact sheet series of the Natural Resource Information Division is revised each time a new fact sheet is distributed. The sheets provide information about various activities and programs of the National Park Service and are contributed by National Park Service staff and associates.

Copies of fact sheets may be obtained from Dr. Richard W. Gregory, Chief, Natural Resource Information Division, 1201 Oak Ridge Drive, Suite 350, Fort Collins, CO 80525, e-mail Rich_Gregory@nps.gov. He welcomes suggestions about fact sheets.

The fact sheets are also available as worldwide web pages (<http://www.aqd.nps.gov/natnet/>) with graphics or text only. Staff who wish to contribute a fact sheet to the series should obtain a copy of *Instructions for Contributors*.

Abbreviations in the indexes: **ARD**=Air Resources Division, **EQD**=Environmental Quality Division, **GRD**=Geologic Resources Division, **I&M**=Inventory and Monitoring, **NRID**=Natural Resource Information Division, **NSMO**=Natural Systems Management Office, **NRSS**=Natural Resource Stewardship and Science, **URL**=Uniform Resource Locator, **WRD**=Water Resources Division.

*denotes an expected distribution in March or April 1997.
