

*Caddo Lake State Park, Texas*

### *Directional Signs*

The urge to capture naïveté and rusticity in park signs should not lead to illegibility in lettering. These qualities are best confined to the form of the sign panel itself and to the upright supporting members. All the lettering on the signs shown in the surrounding illustrations follows familiar forms without prejudicing wilderness character.

*Mount Nebo State Park, Arkansas*

*Itasca State Park, Minnesota*

*Custer State Park, South Dakota*
