Look for Trail Markers

You'll find these trail markers at all trailheads and intersections. The metal bands are stamped with directional and mileage information.

Millers Head - 1.6 miles round trip, fairly easy hike from parking area beyond the stables to a spectacular view, with moderately steep sections on return.

Limberlost Trail (Partially ADA accessible) - 1.3 mile circuit stroll, especially beautiful when the mountain laurel blooms. *Pets not allowed.*

Stony Man Trail - 1.6 mile circuit, fairly easy hike from parking area to spectacular view. Guidebook available at visitor center and trailhead. *Pets not allowed.*

Little Stony Man - 0.9 mile round trip from the parking area, fairly easy hike with views. Some steep sections.

Note: Round trip hikes proceed to a destination and return by the same route. Circuit hikes begin and end at the same point without retracing steps.

* Horses are only allowed on yellow-blazed fire roads and trails

leave no trace
Leave No Trace Preservation through education: building awareness, appreciation, and most of all, respect for our public recreation places.
