LAND ACKNOWLEDGEMENTS

The Pacific Northwest National Scenic Trail traverses the traditional lands of many indigenous peoples. Please hike with respect for these lands and the peoples who have cared for and sustained themselves from them since time immemorial.

The Pacific Northwest Trail Association has included information about these traditional lands on the pages of our strip maps to encourage further reflection about indigenous history and presence.

The data contained on this map is sourced from Native-Land.ca, which provides the following disclaimer: *“This map does not represent or intend to represent official or legal boundaries of any Indigenous nations. To learn about definitive boundaries, contact the nations in question. Also, this map is not perfect — it is a work in progress with tons of contributions from the community. Please send us fixes if you find errors.”* For more information about indigenous peoples of the northwest or to provide feedback on the data shown, please visit Native-Land.ca.
