

A detailed map of Montana with a grid overlay. The grid is labeled with Range (R) and Township (T) coordinates. Ranges R12W to R15W are visible at the top. Townships T21N to T25N are visible on the right. Two large areas are shaded with diagonal lines and labeled as game preserves. A large area in the south is labeled as a game refuge. Various cities and towns are marked, including Kalispell, Great Falls, and Choteau. Air lines are indicated with distances. A handwritten note on the left mentions headwaters of irrigation projects. A box in the bottom left mentions forest fires. A box in the bottom right mentions camp fires. The text 'Montana's Largest Game Refuge' is written in a large, stylized font across the southern part of the map.
