THE CLINTON PRESIDENTIAL CENTER & PARK

The William J. Clinton Presidential Center and Park is an educational and cultural center and a world-class venue offering a variety of special events, educational programs and lectures throughout the year. Most importantly, the Center is a reflection of the work – past, present and future – of the 42nd President of the United States.

Whether you are interested in the full-scale Oval Office replica or the many temporary exhibits, visit the Center today. From lunar landings to LEGOs®, from Dr. Seuss to the king of rock 'n' roll, our temporary exhibits each tell a unique story and are selected to enhance your presidential experience. Admittance to temporary exhibits is included in the Center's regular admission fee. And don't miss two of the latest outdoor visitor attractions in the Presidential Park, the Bill Clark Wetlands and the Clinton Presidential Park Bridge.
